STRIKERS SHOT IN WISCONSIN TOWN

Riots Following Demand of Tanners for Wage Raise Cause Bloodshed.

POLICE HELPLESS; TROOPS ASKED FOR

Emissaries of Strikers Ordered from Offices of Company.

Kenosha, Wis., July 22.—Three men were shot and possibly a score of others were injured by sticks and stones during a riot at the strike-bound plant of N. R. Allen Sons' Tannery company here today.

The small police force was only a handful compared to the rioters and were able to do little.

Governor Davidson was appealed to for troops by Sheriff Gunter. The governor ordered two companies of militia to hold themselves in readiness to proceed to the scene.

Violence began with an attempt to open the plant today and after the company, it is said, had refused to treat further with a committee of strikers demanding higher wages.

The sale of firearms has been prohibited, but many of the strikers are known to be armed. Two deputies were badly beaten by clubs and sent to a hospital.

A third man was shot at 11 o'clock. The men shot were Tony Monkon, Peter Sobocobic and Charles Clemm. Acting Chief of Police Newhouse was badly bruised but not seriously.

Governor Davidson has placed the situation under the charge of General Otto Falk, of Milwaukee.

A Good Way to Start It.

The riots this morning started with the opening of the big plant while a committee representing the strikers was in the office of the company seeking to make a settlement. The management, however, called off all negotiations and the committee was escorted out of the office, the officials and deputies who had been in attendance at the meeting in the meantime arming themselves for protection. Crowds of strikers paraded the streets, many of them armed. Fifteen hundred men joined the strikers.

The first outbreak occurred at the big central entrance on Grand avenue, where one of the strikers was shot. The bullet passed through his hip. A minute later a riot was started at North Chicago and Union streets and this resulted in another man being shot. It is claimed this man was shot by one of the strikers who believed he was firing on a deputy. One man was struck down with a coupling pin and was later taken to the county jail and held on a charge of rioting.

Police Used Clubs Freely.

The police were able to do little with the strikers, but used their clubs freely.

During the fighting Policeman Nelson, of the ity force and Deputy Morehouse, of the sheriff's force, were struck down and both are in the hospital seriously injured.

ThTe company has declared it will hold no further parley and every department of the big plant has been closed. People of the city have refused to be sworn in as special officers, fearing their lives would be in danger. The sale of revolvers and other weapons has been ordered stopped and it is expected the strike leaders will be under arrest between now and evening. Thus far the property of the company has not been badly damaged, but the windows of the buildings were shattered.

QUIET IN PITTSBURG REGION.

Fittsburg, July 22.—Quiet prevailed at both the plants of the Pressed Steel Car company at McKee's Rocks and the Standard Steel Car company works at Butler this morning.

It was reported that about the same number of men went to work at McKee's Rocks plant as yesterday. The state constabulary was on guard at the gates and about 8 o'clock several thousand of the strikers attended a mass meeting at Indian Mound to listen to reports of their committees.

Saloons Are Again Open.

All of the saloons in the neighborhood of the plants which have been closed for seven days reopened today

PAIR ABOUT TO WED TRIED GAME OF BLACKMAIL

In Attempt to Extort $500 from Newcastle Farmer Get Caught.

Newcastle, Ind., July 22.—Jeannette Dinger and Ralph Duncan, engaged to be married, were arrested today charged with having attempted to extort $500 from Nathan Payne, a wealthy farmer living south of this city.

The police say the pair wrote letters to Payne threatening him with death unless he placed the money they demanded on the pier of a bridge at a certain time and that later they sent two boys to the bridge to see if a package were there. Four other persons are implicated in the plot, the police say.

BUT MEAGER NEWS OF STORM'S HAVOC

Reports of Loss of Life Along Gulf Coast are Coming Slowly.

FEAR FELT FOR A CAMP OF BAPTISTS

Galveston Sea Wall Held and City Escaped Repetition of 1900 Disaster.

New Orleans, July 22.—With the reestablishing this afternoon of communication with many isolated points along the gulf coast of Texas and Louisiana further reports of loss of life as a results of yesterday's hurricane are being received. Until many more places are heard from, it will be impossible to ascertain the total number of deaths due to the hurricane.

On account of the anxiety felt over the fate of a thousand or more persons in attendance on the state Baptist Young People's encampment at Palacios, on the coast of Texas, South of Galveston, a special train has started from Houston, Texas, in an effort to reach that point. All telegraph wires are down.

Communication was established this afternoon with Angleton, a town of 2,000 people on the gulf coast south of Galveston. Angleton reported that nearly every house in the town had been badly damaged and many of them completely wrecked as a result of yesterday's hurricane. One man was seriously injured.

Further loss of life is reported from Cameron parish, Louisiana. Basile Dagg, a fisherman, and his young son, were caught by the high tide which resulted from the hurricane and drowned in their camp at Mud pass.

Another son of Dagg, barely 12 years old, managed to escape.

The St. Louis-Brownsville-Mexican railway has been advised that the damage at Bay City today is $150,000 with two dead and six seriously injured, many being slightly hurt.

SEA WALL STOOD THE TEST.

Galveston, Texas, July 22.—Galveston has weathered a repetition of the storm of 1900 and to the sea wall alone is attributed the fact that the city is standing.

In the vicinity of Galveston the loss of life is placed at ten, members of a fishing party at Tarpon pier, several miles in the gulf. The total property loss is estimated at $100,000.

Finished but four years ago at a cost of $2,000,000 by the government and Galveston county, the sea wall, a gigantic mass of marble and concrete standing seventeen feet high and seventeen feet thick at the base and gradually sloping at the top, yesterday withstood the onslaught of the raging gulf.

Whether or not this mass of construction was damaged by the action of the water can only be told when the waters of the gulf finally fall back to normal.

Sea Wall Stood Fast.

The sea wall served its purpose and had it not been for the high waters in the back bay forcing water through the sewers into the streets Galveston would have been destroyed by the stress of the water encircling the city.

Galveston beach will have to be rebuilt. When the sea wall was taxed the encircling band of concrete and steel was laid to the rear of the bathhouses and below the beach stretched out 1,000 feet to the water. Between the water line and the wall were the two bathhouses, Modocks and the Breakers, constructed in recent years at a cost of $25,000 each. These were swept away and scattered the nine mile length of Galveston island. A mile to the west and at the end of the sea wall boulevard, unscratched, stands the new surf bathhouse completed at

[Continued on Page Two.]

GOOD PROGRESS IN CONSTRUCTION OF CANAL

Reports from Isthmus to Washington are Very Encouraging.

Washington, July 22.—Substantial progress in canal construction all along the line is shown by reports coming to the Washington office of the Isthmian canal commission. Excavation work by the Americans now approximates eighty million cubic yards, almost as much as the total quantity of dirt taken out by the French during the period they were engaged in operations there. Less than 100,000,000 cubic yards of earth remain to be removed from the ditch.

Colonel Goethals has estimated that the great water way will be completed by January 1, 1915.

Big figures tell the story of the great work which is being done at Panama. Four hundred and eighty concrete monoliths had been laid with the north section of the floor of great Gatun dam spillway was completed recently. Thirty thousand cubic yards of concrete were used in this section, each monolith being thirty feet long and twenty feet wide. The section, which is one of three necessary to complete the spillway, is 960 feet long and 300 feet wide.

TAFT IS SATISFIED WITH THE RESULT

Tariff Peace Dinner Was a Success and Helped Agreement.

FREE LIST GIVES MUCH LESS TROUBLE

Some Protection May be Made Basis for Free Raw Materials.

Washington, July 22.—In discussing today the results of last night's tariff dinner at the white house President Taft expressed himself as entirely satisfied.

The president declared with reference to the placing of raw materials on the free list especially hides, that his chief interest now lay in finding out what could be done with reference to manufactured products. Western senators who are fighting the proposition to put hides on the free list are using their best endeavors to have a change made in the manufactured goods scheduled to off-set any concession they may have to make with regard to the duty on hides.

President is Misunderstood.

President Taft called attention today to the fact that he has been misunderstood as demanding free raw materials all along the line. The president's position as a matter of fact as outlined in his statement of Friday last was that he favored an inquiry to find out what degree of protection, if any, was necessary in the matter of ore, and the fact that he called attention to this fact today leads to the impression at the white house that some sort of working basis is about to be reached.

President Taft was not optimistic in his talks today as to the time that will be required to whip the measure into shape. One of his callers asked when certain changes were to be made in the organization of the bureaus of the department of commerce and labor, and then added that perhaps that was a late summer matter which the president was not ready to take up. The president laughingly said that it had better be called a fall matter, for the tariff promised to be an "all summer" job.

Hopes for Report in Few Days.

Mr. Taft is hopeful that a conference report will be possible by Saturday or Monday.

An effort was made at last night's dinner to have President Taft agree to a two year limitation of the corporations tax. He declined to do so. This matter was gone into at the time the tax was substituted and it was then decided that no time limit should be placed upon the measure. Certain adherents of the income tax who voted for the corporation tax as a subject would not have lent their support to the measure with the time limited to two years. The president proposes that these senators shall be protected.

New Group of "Antis."

Representative Dwight, the republican "whip" of the house, reported to the president the organization of a new group of anti-free raw material men in the house. This group is headed by Representative Gaines, of

FAIR YOUNG DAMES GIGGLE IN COURT

Large Attendance of the Sprightly Maidens at Sutton Inquiry.

SUICIDE THEORY IS STRENGTHENED

Much Laughter When the Naval Surgeon is Careful of Unloaded Gun.

Annapolis, July 22.—Lieut. Edward S. Willing resumed the witness stand today at the opening of the court of inquiry investigating the death of Lieut. James N. Sutton, of Oregon.

Henry E. Davis, counsel for Sutton's mother, continued his cross-examination of the witness from the point where he had left off yesterday. Willing, according to his testimony, reached the scene of the tragedy in time to see Lieutenants Adams and Sutton in a fisticuff prior to the shooting. Mr. Davis took the witness over and over the scene of the fight between Adams and Sutton, but could not materially shake the officer's story. Lieutenant Willing is said to be related to the Astors of New York.

William I. Owens, the chauffeur who drove Sutton's party from Carvel hall to the marine camp on the night of the shooting, and Edward Griffith, the chauffeur who took a party of officers to the camp just ahead of Owens' car, were both on hand today to testify.

Major Leonard, the judge advocate, issued an order not to allow any witnesses who had not been called within one hundred feet of the audience chamber where the court is sitting.

Many Women Present.

A large crowd of women, mostly belonging in naval circles, attended the hearing today. The young girls in their summer gowns, accompanied by white uniformed officers added color to the scene.

Commander Hood showed Lieutenant Willing the rules in the navy blue book which pertained to Willing's duties as officer of the day, at the time of the shooting, and asked him if he did not know he should have arrested any one who was unruly. Lieutenant Willing said he did not recall whether or not he knew the rule at that time.

"Did you tell one of the officers to let Adams go ahead and knock Sutton's head off?" asked Mr. Davis.

"Yes, I think I made such a remark" Lieut. Willing answered.

Lieut. Willing was excused and Sur-

SLAYERS OF THE BANKER IN COURT

Doc Miller, Widow Sayler and Dad Grunden are Arraigned for Murder.

DOCTOR DEFIANT; WIDOW IS WILTED

Wife of Murdered Man is Near oCllapse—Case Goes Over.

Walseka, Ill., July 22.—Dr. William Miller, Mrs. J. B. Sayler, John and Ira Grunden, indicted for the murder of J. B. Sayler on July 11, were brought into the circuit court shortly after 10 o'clock this morning to make their pleas and accept the indictments.

Free P. Morris, of counsel for the defense, made a motion to quash the indictments, but he was quickly overruled by Judge Hoover, but his motion to have the cases continued for pleas and trial until the November term of court, was sustained by Judge Hoover, and there will be no special term called.

Accused Widow Near Collapse.

The court room was crowded by an expectant throng eager to get a glimpse at the defendants when they were brought in. Mrs. Sayler was accompanied by the sheriff, and as she was led to the side of her attorneys, she wept violently, but said nothing. She appears to be bordering on a nervous collapse. She was dressed entirely in black and during the brief proceedings she made no attempt to communicate with any of the other defendants who sat near her.

Dr. Miller appeared very much

DULUTH SUSTAINS IMMENSE LOSS BY FLOODS

Cloudburst Causes Damage of $1,500,000 in the Minnesota City.

Duluth, Minn., July 22.—Following the terrific rains of Tuesday last night's cloudburst caused a scene of devastation in Duluth today. The loss, it is said, will reach $1,500,000.

Three lives were lost during the storm. Two children were swept from their mothers' sides at Ninth avenue east, one body being lost in a sewer at the bottom of a hill. Another child was lost in Keene creek at West Duluth. Twenty or more houses were washed away along small creeks in the city suburbs. The weather at noon today had cleared

JUMP IN A PANIC AS CARS COLLIDE

Five Persons Suffer Injury in Wreck on Robison Park Line.

NONE OF THEM ARE SERIOUSLY HURT

Slippery Track is Assigned as Cause for Rear End Collision.

Five persons were injured, none of them seriously, in a rear-end collision on the Robison park line at the Bleke farm three and one-half miles north of Fort Wayne at 8:45 o'clock Wednesday evening, when one of the big air-brake cars crashed into a lighter open car on the out-bound track. The injured:

Mrs. Recca Tatner, 1341 Horace street; bruised about the body and wound upon the head; taken to Hope hospital.

Miss Ada Sawyer, 514 Fairmount place; back injured; taken to her home.

Miss Eva McGuire, 1432 Wells street; scratched about the face and head; taken to her home.

Miss Laura Kunkle, 430 East Wayne street; ankle injured; walked to her home.

Miss Anna Davis, 606 Calhoun street; back injured; went to her home.

Those most painfully hurt sustained their injuries in jumping from the car to avoid the impending collision, alighting against a barb wire fence along the right-of-way close to the track.

Trolley Rope Had Broken.

The open car was No. 605 in charge of Motorman Hartman and Conductor Bahney, and it carried twelve passengers bound for the park. At the Bleke farm the trolley pole slipped from the wire and at the same time snapped the rope by which it is controlled from the rear platform. The electric lights on the car were, of course, extinguished as a result of the broken connection, but Conductor Bahney declares his red lantern was burning as the car stopped and he climbed upon the roof to tie the broken rope and replace the pole upon the trolley wire.

Following some distance behind was the air-brake car No. 250, in charge of Motorman Harley Phillips and Conductor Davis. Phillips says his brake seemed to be working perfectly and that it was applied in ample time, but the big car skidded along the rails and crashed into the lighter car standing on the track ahead.

Somebody Cried "Jump!"

An instant before the impact, somebody on the open car screamed "Jump!" and the dozen passengers in a panic began leaping from the car, several of them landing against a barb wire fence and sustaining painful lacerations. Mrs. Tatner struck a fence post in her fall, sustaining the contusion upon the head that at first seemed to be serious. Some of the passengers were in the act of leaping from the car at the precise moment the collision occurred, and in this manner were thrown from their feet.

An inbound car was flagged a few

[Continued on Page Two.]

FORCES LINED UP FOR BIG CONTEST

City Tickets Will be Named at the Primaries Tomorrow.

FINAL STAGES OF STRENUOUS EFFORT

Many Guessers Put McCulloch and Scherer in Lead of the Field.

Friday weather forecast: Fair and cooler.

Primary polls open 8 a. m. to 8 p. m.

Democratic and republican municipal nominees will be chosen by the voters of Fort Wayne tomorrow in a primary which marks the close of beyond all question the most strenuous campaign for nomination the city has ever known. Voting machines will be used throughout the city for the first time, with new boundary lines for the precincts, and the primary polls will open at 8 o'clock a. m. and close at 8 o'clock p. m.

Practically obscuring with its fierce intensity all the other places on either ticket, the race for the democratic mayoralty nomination is the contest upon which all eyes have been centered for weeks, and in which is involved the greatest popular interest. Mr. Schmidt, Mr. McCulloch, Mr. Melching and Mr. Scherer, each with the assistance of superb organization and skilled lieutenants, have conducted a campaign such as the city has never before seen.

* * *

Upon all hands it is admitted that the result is much in doubt. There are many political guessers who are of the opinion that Mr. McCulloch and Mr. Scherer are leading the field, and who think one of them will be the victor. But there are others quite as certain of victory for Mr. Schmidt and Mr. Melching. So far as can be judged it is anybody's race, and the outcome cannot be known with even reasonable certainty until the tabulation is taken from the voting machines Friday evening. For the republican mayoralty nomination, the preponderance of prophecy favors the selection of Mr. Grice, but Judge Skelton's friends are still confident their selection will land the prize.

* * *

Today and this evening the political hosts are driving forward with unabated energy in the closing hours of work for their respective favorites. All of the candidates addressed noon meetings at the shops, and all of them are scheduled for evening appearances tonight. There has not been a moment of relaxation in the ceaseless activity which has been at high speed for the past six weeks. All the mayoralty candidates will have representatives working at the primary polls tomorrow in the effort to get out the vote, and each of them is provided with carriages and automobiles as an inducement to the indifferent voter to get him to the polls. From every in-

[Continued on Page Two.]

Mayoralty Candidates All See Victory in Tomorrow's Primary Contests.

BY CHARLES M'CULLOCH.

I believe I will be nominated tomorrow by a large majority, because the people know that while I have been in private life for many years, I have always taken an active interest in all that I believed related to the welfare of the people, in municipal ownership and other matters. If I am elected I will work to make Fort Wayne a more desirable city in which to live, and so attractive that other people will want to come here. I feel confident the people appreciate this fact, and I expect that by their votes they will endorse me.

BY HENRY P. SCHERER.

I will be nominated at the primaries tomorow, and I base my claim upon the following: My record as your former mayor, my persistent effort to secure to the people the ownership of the public utilities, and the support of the common people, whose cause I have always championed. I expect to carry eight out of ten wards, and will poll not less than 2,000 votes.

BY ALBERT E. MELCHING.

I confidently claim that I will come in winner on the home stretch as I did for the nomination for sheriff in 1896. I am relying on the conservative vote to nominate me, and fully expect to win in tomorrow's primary.

BY BENJAMIN W. SKELTON.

I firmly believe that I will be nominated mayor tomorrow if the republicans will attend the primaries. I have had great encouragement from my republican friends in every section of the city, and I have gotten into every voting precinct in the city during the past six weeks.

BY JESSE GRICE.

I feel certain that if the republican vote comes out, and my friends are not over-confident, I will be nominated at the primary tomorrow. I am standing on my record. I have held but two small meetings, but I have tried to meet the people personally, and I am willing to leave the result with the voters of Fort Wayne.

BY AUGUST M. SCHMIDT.

Without being in the least boastful, I am confident of being nominated at the primaries tomorrow. I have no hesitancy in saying that I shall carry the First, Second, Sixth, Eighth, Ninth and Tenth wards beyond a doubt and my vote in the Third, Fourth, Fifth and Seventh will show that I will break better than even in these wards. The taxpayers, business men and silent voter are thoroughly familiar with my methods in the past as a city official, and I shall draw heavily from these classes of voters. I feel that the democratic voters will nominate a candidate for mayor who is known to be unequivocally in favor of the maintenance and extension of our municipal electric lighting system. Since 1903 I have fought to extend the city lines into the homes of all of our people and the man nominated must in addition thereto be a democrat whose loyalty to the principles of democracy cannot be questioned. I believe that my plurality vote will be at least 700.

JUMP IN A PANIC AS CARS COLLIDE

[Continued From Page One.]

moments later and the injured passengers placed abroad for the return to the city, while physicians and ambulances were summoned by City Superintendent E. M. Raver, who hastened to take personal charge of the situation. At Clinton street Mrs. Tatner was placed in the ambulance and taken to the hospital, while others who insisted upon going to their homes were provided with carriages and Dr. George J. Studer gave surgical attention to the victims. He visited them all again this morning and says that in no case are the injuries serious.

Cars Not Badly Damaged.

Street railway officials express the opinion that the accident was due to the slippery condition of the rails, and say that had the passengers remained in their seats instead of jumping, they would have fared much better. The impact between the cars was not severe enough to put the cars out of service, and they remained on their runs.

Other passengers on the open car in addition to those injured were Miss B. L. Harshberger, 2718 Holton avenue, who is a trained nurse and who rendered valuable assistance in caring for the injured; Miss Minnie Burch, 1419 Calhoun street; Louis Oetting, 124 West Berry; L. J. Weyman, 506 East Creighton avenue; Russell Cole, 1810 Barr street; Harry Brosius, 1429 Cass; Walter Robinson, 920 Columbia avenue.

FORCES LINED UP FOR BIG CONTEST

[Continued from Page One.]

dication the struggle will eclipse even a general election in its intensity.

* * *

Each of the mayoralty aspirants gave to The Sentinel today his forecast of the outcome, and without exception there is an expression of confidence in victory. The city clerkship and the city judge's place on the democratic ticket are two other places for which there has been a lively scramble, and the outcome here will be watched with interest, also. There will be contests for the places of the five councilmen-at-large to be nominated, as well as for most of the ward councilmanic nominations.

* * *

The voting machines are all in position in the thirty-one voting precincts of the city, and inspectors today received their primary supplies, blanks, etc., as well as keys for the machines. The board of election commissioners is now making the round of the precincts to see that the voting machines are in proper order and that the ballots are correctly placed upon them. Under the law each candidate's name must appear first on as nearly as possible an equal number of machines, so that the position of the name of any candidate on one machine does not signify that it occupies the same relative position on another. This provision has entailed much additional work upon the part of the election commissioners, but it is regarded as the only absolutely fair method.

* * *

Democratic leaders believe that there will be a heavy vote cast for the candidates of that party, but the republican leaders are not so optimistic about the matter of getting out the vote, and are bending much energy toward this effort in the closing hours before the primary.

* * *

A. E. Melching had one of the largest meetings of the campaign at Gunkel's tinshop on Swinney avenue last night and gave him marked attention while he presented his candidacy for mayor. About 300 people were present and the meeting was in all respects a lively and encouraging one.

TAKE A VACATION

You need it.
It will do you good to get away from business for awhile and you will be able to work better when you come back.
Probably you are short of money. Don't let that keep you at home.

TAFT IS SATISFIED WITH THE RESULT

[Continued from Page One.]

West Virginia, who was one of the "immortal 23" who visited the white house last week and drew out the president's positive statement of his position.

The conferees reported to President Taft that they soon would reach an agreement on all except the six or seven great subjects about which they expected to find considerable difficulty in reaching a definite understanding. These include free oil, hides, coal, iron ore, lumber, leather goods and perhaps a few other articles in manufactured products list.

As to a compromise on hides, the western senators who are opposed to placing hides on the free list, have told the president that any thing less than the 15 per cent. duty proposed in the senate would be of no use to them.

Taft for Real Revision.

The president told five western congressmen, among others, that he did not wish it to be understood that he was making a fight only for raw materials. He emphasized the fact that he stood upon the republican platform adopted at Chicago laast year. This platform, he said, called for downward revision. The westerners were Representatives Campbell, Scott, Anthony and Madison, of Kansas, and Martin, of South Dakota. They told the president that they represented a state where the cattle industry was large and that while they stood with him for downward revision, they could not accept the plan of making hides free and putting a high duty on the finished products of hides. That, they said, would give the benefits of the tariff wholly to New England and the east.

Reduction in Finished Products.

If the finished products were reduced in duty so that the consumer would get some of the benefits they would stand by the president as to free hides, although much against their wishes and those of their constituents.

President Taft then made the important statement that he was receiving from tanners and leather men considerable encouragement toward a reduction of the finished products and the understanding of the visitors was that in a few days the president would be able to present to the conferees a practical agreement from the great leather interests of the country for a substantial reduction from the lowest rates of the senate or house in the goods put on the market by them.

Eager to Learn Details.

A widespread eagerness to learn the inside details of the white house conference last night and the probable fate of hides, coal, iron ore, oil and lumber in the tariff bill resulted in the presence of a large number of members of both the house and senate at the capitol early today. The announcement that the president had left the settlement of the free raw material controversy to the conferees caused no little concern to the two opposing factions in both houses.

Aside from the meeting of the tariff conference committee there were numerous conferences. The fact that no settlement of the free raw material question was reached at the white house conference left the insurgents in both the house and senate with little of a tangible nature to work on—at least little more than they have had up to the present time.

The insurgents in the senate probably will soon announce what policy they will pursue when the conference committee submits a report, now that the white house conference has been held.

May Make a Protest.

The house "anti-free raw material" faction, who held a preliminary meeting yesterday and who claim that they have thirty-nine supporters, with six additional prospective adherents, may protest to the conferees against the free raw material program. Representatives Young, Michigan; Hubbard, Iowa; Thomas, Ohio, and Langley, Kentucky, constitute the committee who have the matter in charge. The "antis" intend to take up the question of voting against the conference report if necessary to defeat the placing of coal, hides and iron ore on the free list.

On the other hand, a number of the conferees openly speak of the possibility of compromises on the various items in dispute and in which the president has taken a special interest.

When the conferees met today it was expected that they would devote their time to the free raw material proposition.

Cummins With President.

Senator Cummins, of Iowa, who is a leader among the "progressive" senators, today took breakfast with the president and spent two hours with him in discussion of the tariff situation. They went over the entire ground and it is understood, found themselves to be very much in accord.

Mr. Cummins had prepared a statement regarding the attitude of the "progressives" before he went to the white house, but after his return from his interview with the president, made some changes in it and probably will give it out tonight.

BUT MEAGER NEWS OF STORM'S HAVOC

[Continued from Page One.]

a cost of $40,000. Standing on piling driven as deep as those supporting the sea wall, this new hotel and resort stately withstood the onslaught of the gulf and today was the only thing standing between the water line and the wall.

Closing Up the Breach.

Throughout the night by the light of lanterns, pile-drivers worked at each end of the mile trestle spanning Galveston bay by the island and mainland, and by midday today the breach caused by a drifting barge was expected to be repaired and traffic resumed to the island.

Tarpon's fishing pier, where occurred the only loss of life thus far, is at the end of a narrow and rocky promontory which sheers into the deep gulf. Waves sweeping the hotel from the summit of the rocks cast ten persons into the water and they drowned.

All night long boats large enough to venture upon the turbulent bay searched for the bodies of the dead, but as dawn broke the boats returned to their slips empty handed.

Bodies Swept Out to Sea.

Like the storm of 1900 the bodies have been swept out to sea to be disgorged days later when the waters have calmed and the tides roll in.

Reports up and down the gulf show that Galveston was the center of the disturbance for which warnings for mariners were posted in Galveston Sunday. The nearest threatened loss of life was at Rollover, Capeland and Patten beach, near Bolivar. Here there were 300 people from Baumont and surrounding cities, camped out for the summer, but all are reported safe.

This morning the weather was warm and clear and there was no wind.

FACTS SLOW TO OBTAIN.

New Orleans, July 22.—The full toll of life and property exacted by the hurricane which swept the western gulf coast yesterday may be several days in the counting. Levelling telegraph wires and destroying other means of communication with the outside world, the hurricane swept along the gulf bordering shore from points in Cameron parish, Louisiana, to almost the southwestern extremity of Texas.

As far as can be ascertained, the storm vented its fiercest force upon the city of Galveston. There the practically impregnable sea wall kept back the on-rushing waters of the gulf, forced many feet high by the driving northeast wind and sending their spray over the sea guarding battlements of the city.

Death List Small.

Reports received thus far indicate that the loss of life is confined to the ten unfortunates caught in the gale off Tarpon pier. The property damage as first totalled will hardly exceed $100,000. That loss of life and property damage have been caused at other points along the Texas coast and possibly in Cameron Parish, La., is the belief now entertained. The restoration of wire communication with many places along the coast today was followed by reassuring news, but other points it was impossible to get into touch with and it is feared that serious results have been experienced in the latter. In Matagorda county, about 75 miles southwest of Galveston, it is reported that several lives have been lost, but at an early hour today a confirmation of this report was lacking.

Communication Cut Off.

The southernmost points of Cameron parish, La., were entirely cut off before noon yesterday. There are no railroad connection with points there and steamboat communication now seems to be the sole method of obtaining any definite news from there. Reports received by the weather bureau here would seem to indicate that the storm passed inland, from a point close to Matagorda bay. Its intensity was diminished soon after 12 o'clock yesterday and at an early hour last night the wind velocity was recorded at less than 30 miles an hour. Interior towns in Texas were thus little affected by the wind which had veered from northeast to southeast.

Uneasiness is Dispelled.

The uneasiness which was entertained for outing parties on some of the islands along the Texas coast was dispelled during the night by messages which assured the safety of these excursionists.

Many of them, being aware of the approach of the storm, took passage by tugs to the mainland and others sought refuge in the firmly grounded cottages of fishermen.

While it is possible that some light craft, engaged in commerce or bearing pleasure seeking passengers, may have gone down in the storm, no authentic reports to this effect have yet been received.

REPORT OF TEN LOST.

Houston, Texas, July 22.—A report reached here today that a pleasure yacht with ten guests on board, was sunk in the storm yesterday while cruising on the gulf, all lives being lost. The report cannot be confirmed.

WORK OF THE CONFERENCE.

Washington, July 22.—When the conference committee adjourned for the day at 1 o'clock it had been decided that the customs court should be established in Washington instead of New York. The house conferees this afternoon will decide upon a program regarding coal, hides, lumber, iron ore, oil, hosiery, gloves and the cotton schedule.

The white house dinner and conference brought about peaceful conditions in the tariff conference chambers today.

The cotton schedule occupied the attention of the representatives in attendance for a large part of the morning session. The peculiar conditions surrounding the cotton goods paragraphs as a result of the substitution of specific duties by the senate for the advalorem rates of the existing law and the house bill have delayed a final agreement. The hosiery and glove paragraphs on which the house made large increases over the existing rates also were discussed at length today.

The president's desire that the customs court of appeals established by the tariff bill shall have its principal meeting place in Washington was acceded to by the conferees in the adoption of new phraseology for the court provision by which the court is given headquarters in this city. The corporation tax and the five national issues of the tariff with which the president has had so much to do were discussed generally at the meeting of the house conferees was expected to result in an early agreement on a report.

Aldrich Meets Westerners.

This afternoon was largely occupied by Senator Aldrich in meeting western senators who are disturbed by the demand for free hides. It is expected Senator Aldrich will discuss with other senators the duties to be fixed upon coal and lumber.

Representative Payne and Senator Aldrich will go to the white house tonight for another conference with the president at which they hope to be able to report substantial progress in the direction of an agreement. It is not believed in the capital that the conferees will complete their labors before the middle of next week, although some agree with President Taft that a report may be ready Saturday night or Monday.

AWAIT ARRIVAL OF M. BOURGEOISE IN PARIS

Is Expected to Place Himself at Head of a New Cabinet.

Paris, July 22.—Leon Bourgeois, former premier and foreign minister to whom President Fallieres has decided to offer the task of forming a new cabinet in succession to the Clemenceau ministry, was expected to reach Paris this evening. However, as doubt existed as to whether he would accept the portfolio, and as time presses, if he should not arrive at the capital before night, M. Briand, minister of justice and worship, it was expected, would be named as premier.

The parliamentary leaders unanimously agree that a reconstructed Clemenceau cabinet committed to the Clemenceau program is the logical solution of the ministerial crisis in the face of the coming general election.

Delcasse Cuts No Figure.

M. Delcasse, who led the attack in the chamber of deputies which brought about the downfall of M. Clemenceau, has advised President Fallieres to summon Alexandre Millerand, former minister of commerce, to head the new cabinet, but the retiring premier has the satisfaction of knowing that any combination which includes the man who unhorsed him is impossible.

Clemenceau seems in no way downcast by his defeat. He said laughingly to a friend: "You see the advantage of not living at the ministry. I came here with nothing but an umbrella and I am leaving with a cane."

Despite the storm of indignation vented on M. Clemenceau for his remarks to M. Delcasse, even the former's worst enemies admit that he told the truth, as it has long been an open secret that M. Delcasse, relying upon the friendship of England, wanted to risk a war with Germany when he was foreign minister in 1905, but the revelations then made, showing the unpreparedness of the French army and navy, compelled the government to yield to the German threat, dismiss M. Delcasse and take the Moroccan dispute to the Algeciras conference.

French moneyed interests are hoping against hope that M. Caillaux, minister of finance, will not succeed himself in the new ministry, but a majority of the leaders who are committed to the income tax, the workmen's pension scheme and other social reforms consider his retention imperative in order to avoid a popular misinterpretation with regard to his retirement in the face of the coming elections.

ABOUT THE COURT HOUSE.

Legal Circles Severely Hit by the Summer Depression.

It was extremely dull about the court house today, with little doing in any of the departments. Commissioners Wyss and Franke were in Maumee township inspecting bridge work, and Commissioner Tonkel was at Cedarville on a similar mission.

The superior court was still hearing the Cass-Alden case, and the circuit court was not in session. The only new action was the dismissal of the case of the Union City Hoop and Lumber company vs. W. K. Noble and others.

The cases against Mrs. Sophia Luttmann for assault and battery, and against Mrs. Pearl Everding for provoke, were dismissed.

WILD BEASTS GET A REST.

Roosevelt Party Puts Into Naivasha and Takes a Rest.

Naivasha, British East Africa, July 22.—Colonel Roosevelt and all the members of his party, with the exception of Edmund Heller, arrived here today from their hunting trip on the shore of Lake Naivasha. Mr. Heller, who is the zoologist of the expedition, is staying at Captain Attenborough's ranch. Mr. Roosevelt stopped at the government experimental farm this morning and after having lunch with the British officials, inspected the live stock.

The Woman's Relief Corps will give an ice cream social at 1220 Calhounstreet next Saturday night. The invitation is gener-

FIRST CAR ARRIVES OVER TOLEDO & CHICAGO

Strike-Tied Trolley Line is Slowly Lifting the Blockade.

The first car to reach Fort Wayne over the Toledo and Chicago interurban line since the strike of the trainmen Sunday night to enforce a demand for a wage increase came into the city at 11:40 o'clock today. New trainmen were in charge, and after a wait of twenty minutes the car started northward on the return trip.

Superintendent Frazier and other officials of the road were aboard, and while few passengers were carried, officials say that people along the line gave the first car an ovation. No trouble was experienced at any point. A car was run from Kendallville to Avilla Wednesday evening to try out the new motormen, but the attempt to send cars over the entire line was not made until this morning. Officials say they have plenty of new men, and that the regular service will be resumed late this afternoon.

Dispatches from Garrett to the Indianapolis Star today stated that E. A. Myers, of Fort Wayne, a strike-breaking motorman, was seized by a crowd of strike sympathizers as he reached Garrett Wednesday evening, stripped of his clothing to the skin and driven through the streets of Garrett. At Garrett today all knowledge of the incident was disclaimed. Mr. Myers told friends that he had not gone there to work, but to enjoy a fishing trip.

STRIKERS SHOT IN WISCONSIN TOWN

[Continued From Page One.]

by permission of Sheriff Gumbert. They will close each evening at 6 o'clock until the strike is settled.

About 175 foreigners returned to work at the Butler works today. These with the six hundred or more Americans has enabled the company to carry on work in many departments. The men still out are reported as becoming sullen and bitter.

GLIDDEN TOURS TO BE CONTINUED HE SAYS

Originator of Annual Auto Event Has Big Plans for Future.

Omaha, Neb., July 22.—Shortly after 7 o'clock this morning the Glidden tourists began to get under way from Council Bluffs, Iowa, where they passed last night and at 7:25 the first car passed through Omaha. Notwithstanding the early hour the streets along the advertised route were lined with people who cheered the contestants as they sped by. Council Bluffs autoists formed an escort until the Missouri was crossed and then gaily decorated cars of the Omaha Automobile club took up the duty. No stop was made in this city.

Kearney, Neb., 186 miles distant, is the next stop and except a few places where traces of damage by the recent rainy season still remain, the roads are said to be in good shape.

Glidden and Hower said last night the report that this would be the last Glidden tour was unfounded. "We hear that every year," said Mr. Hower. "This is only the beginning of these tours," said Mr. Glidden. "This tour is the most wonderful in the history of automobiling. If plans now under consideration are carried out next year's run will make a tour of England. This tour will go to the Rocky mountains. That this could be done has long been doubted."

K. O. T. M. BANNER.

Fort Wayne Wrests the Trophy from Laporte.

Wayne tent, No. 54, Knights of the Maccabees, has won the pennant for membership in Indiana by getting the largest number of new members into the order of any lodge in the state. This honor belonged to Indianapolis until three years ago, when it was won by Laporte and now the lodge in that city is called upon to surrender it to Wayne tent. The banner, which is a magnificent silk affair, will be formally presented to the victorious lodge at a date to be announced soon. A delegation of fifty or more Maccabees from Laporte will come here for that purpose and the presentation will be made the occasion for a big meeting to which the public will be invited.

ENGAGES NEW SOUBRETTE.

Miss Agnes Blial Will Be Member of New Stock Company.

Manager Rice today received the signed contract of Miss Agnes Blial, a gifted young soubrette, as a member of Our Own Stock company for the coming season. Miss Blial is said to be a capable and pleasing young actress, and is a close friend of Miss Dunbar, leading woman of the company. Miss Blial is at present playing stock in Duluth. She was formerly at the Marlowe theater, Chicago, and later at the People's in that city.

NEW SMALLPOX CASES.

Nineteen Cases of the Contagion Now in the City.

Two additional cases of smallpox were reported today—father and son—in the family of William Hahn on South Hanna street.

These make a total of nineteen cases of the disease in the city, but all of a mild type.

TROOPS REVOLT AS ABOUT TO LEAVE FOR WAR

Spanish Soldiers at Barcelona Mutiny, But are Disarmed.

Barcelona, July 22.—A riot broke out today among the troops who were about to be embarked for Melilla. An entire battalion revolted and threatened the colonel and other officers with their bayonets. Other troops were hastily summoned and the mutineers were disarmed.

KING CANCELS ENGAGEMENTS.

Madrid, July 22.—King Alfonso has cancelled all his engagement on account of the serious situation that has developed in Morrocco. Today the first line or reserves was summoned to the colors. Parliament will be asked to vote further credits so that more reinforcements can be sent to Melilla. It is possible that General Weyler, formerly Spanish captain general of Cuba, will be placed in supreme command of the Spanish troops in Morrocco.

The liberal press is joinging in the popular protest against sending soldiers to the Riff coast alleging war is solely for the purpose of protecting private mining interests. The newspapers demand the convocation of the cortes and a frank statement of the government's intention.

During the night, while the Spanish troops which are to reinforce the Spanish garrison at Melilla were preparing to leave for Malaga, the families of the soldiers surrounded the railroad station and charged the police with the object of preventing the departure of their relatives. A desperate melee followed in which the police used their swords and revolvers. At least a dozen persons were wounded and many others arrested. Stringent measures will be taken to suppress similar popular disturbances in connection with the departure of troops in the future.

SPANISH REINFORCED.

Melilla, Morocco, July 22.—The positions here were reinforced today by fresh troops from Spain. During the fighting yesterday the Moors got within 800 yards of Melilla. When they retired they left 104 dead on the field.

General Marina, commander of the Spanish forces in Morocco, returned here today from an inspection of the outposts. The general declares the Moors are displaying desperate courage and using modern weapons. He predicts a long and hard campaign.

PREACHING A HOLY WAR.

Algeciras, Spain, July 22.—The natives of the Souk region in Morocco are preaching a holy war and are preparing to join the Moors in front of Melilla.

FAIR YOUNG DAMES GIGGLE IN COURT

[Continued From Page One.]

geon George Pickrell, U. S. N. who was in charge of the naval academy hospital on the night of the shooting testified. Dr. Pickrell heard the shots while standing in a window at the hospital, which was but a short distance away, and hurried to the scene. He examined Sutton's injuries and made a careful examination of the bullett wound in his head after death. The bullet entered Sutton's head on top, near the back and a little to the right, witness said. Dr. Pickrell stated that the shot was fired within two feet of Sutton's head and in his opinion, could have been self-inflicted.

Surgeon Pickrell said that he treated Lieuts. Adams, Osterman, Roelker and Potts at the hospital shortly after the shooting. They all had insignificant injuries, he said. They were all very much excited and talked about the shooting. Lieutenants Adams and Osterman, as he recalled it, told him about the fight and said Sutton had shot himself while lying on the ground.

Not a Fool With a Gun.

At Mr. Davis' request the witness demonstrated with the revolver, the manner in which he believed Sutton might have shot himself. Dr. Pickrell was first careful to see the weapon was not loaded. He took the revolver in his right hand, extended his arm above his head with his elbow bent at an awkward angle and pointed the muzzle directly at the top of his head toward the middle and rear of the skull. The women spectators in the court room seemed to enjoy the exhibition. There was an audible giggling among them. Mrs. Sutton and her daughter smiled as Dr. Pickrell broke the revolver to see that it was not loaded.

Colonel Charles A. Doyen, senior officer of the marine corps at Annapolis, told of Lieutenant Utley approaching him that night and telling him that Sutton had killed Roelker and then shot himself.

When Col. Doyen reached the scene he said he picked up Sutton's right hand, which was extended directly in front of his body and felt for his pulse. He found he had a pulse and ordered one of the officers nearby to hurry and get the naval academy physician, Dr. McCormick. Sutton was dead before they could get him to the hospital, the colonel said.

NOT USED ON LOCAL MARKETS.

Testing Scale Printed Wednesday is for Outside Elevators.

The manner in which a testing scale for wheat was printed in this paper last evening might lead one to believe that it is the scale for the local markets but this is not the case. In fact, the local millers state that the wheat is of very good quality and that no such extensive scale is being used here. The printed scale was issued by a broker who deals at outside elevators

MARRIAGE LICENSE.

Clarence Hippenhammer, 20, brakeman, and Rosella Oddou, 21.

FIND BODY OF MAN IN A TRUNK AT LYNN, MASS.

Identified as Armenian of New York—Factory Man is Suspected.

Lynn, Mass., July 22.—A body, fully clothed and believed to be that of an Armenian, was found packed in a trunk in a lodging house at No. 148 Liberty street today. The head was mutilated and there was a bullet wound over the heart.

In a pocket a bank book was found bearing the name of Minas K. Mortijian. The room was rented eight weeks ago by Frank Jones, a shoe factory worker who, it is said, had not occupied it since last Monday. The body was discovered by Mrs. Bessie Rollins, the lodging house keeper and her husband, who had found a stream of blood trickling from the bottom of the trunk. The police were notified and a search was begun for Jones. On May 30 a new trunk was brought to the house to Jones. In the bank book was a note which said "If any thing happens to me notify L. B. Adams, No. 388 Center street, Jamaica Plain."

How long the body had been in the trunk is not known.

THE DEATHS.

WEYER.

The infirmities of old age resulted in the death of Mrs. Emelia Weyer on Wednesday afternoon at 3:30 o'clock at the home of a daughter, Mrs. A. J. Baker, 1722 West Main street. The deceased had passed her eightieth milestone, though her health until several years ago had always been good. She had been a resident of Fort Wayne for the past forty-two years, during that time having gained a wide circle of sincere friends. She was an attendant at the Precious Blood church.

When a mere girl, Mrs. Weyer came to this country from Muenster, Germany, going to Cincinnati, where she married Bernard Richter. Her husband died soon after the marriage, however, leaving her with a son, who is now Ben D. Richter, living on East Third street. Later her marriage to Martin Weyer occurred and the couple moved to this city. Mr. Weyer died several years ago. Three children are surviving from her second union, they being Mrs. Baker, A. C. Weyer and Mrs. Fred Meager, of Chicago.

CHAUSSE.

Mrs. Elizabeth Chausse, whose husband, Aime Chausse, died a year ago, passed away at her residence, 1216 Clark street, this morning following a sickness from a complication of diseases. She was nearly 71 years of age and had lived in Fort Wayne for the past eight years since her removal here from St. Joe township.

The deceased came from Switzerland to this county when 12 years of age and after being married to Mr. Chausse, settled on a farm in St. Joe township, where they lived until eight years ago. She was affiliated with the Grace Reformed church, taking an active part in church work whenever possible.

Mrs. Ella Weikert, of this city, Mrs. Bertha Mauer, of California, and Edward Chausse, of St. Joe township, are the surviving children. Mrs. Mary Carrel, of this city, is a sister of the deceased.

Funeral services Sunday afternoon at 1:30 o'clock from the house and at 3:30 o'clock at Bower's cemetery.

MILLER.

Merlin Eugene Miller, the twenty-one-months-old son of Mr. and Mrs. Louis J. Miller, Wabash avenue, died at 8 o'clock this morning from cholera infantum.

Funeral Saturday afternoon at 2 o'clock from the residence. Interment in the I. O. O. F. cemetery at New Haven.

SLAYERS OF THE BANKER IN COURT

[Continued From Page One.]

composed, in fact his air was that of insolence.

Grunden Badly Frightened.

John Grunden appeared to be badly frightened and dazed by the proceedings. No effort will be made, it is understood, to get bail for Ira Grunden.

On Saturday there will be a bitter fight between Mrs. J. B. Sayler and members of her dead husband's family for control of his estate. The appointment of an administrator comes and under the law Mrs. Sayler has the first choice, but the Sayler brothers will endeavor to have one to their liking appointed.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of KNOWN COMPOSITION. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. *See that you get what you ask for.*

On Your Vacation Trip

Don't forget the most important thing. Have The Sentinel follow you. Keep in touch with what is going on at home. Address will be changed as frequently as desired. 10 cents a week, payable in advance, to any place in the United States or Canada.

13-Year-Old Girl, Beaten, Slashes Her Tormentor

Young Tony Romano in Hospital with Dozen Cuts Inflicted with Razor.

New York, July 22.—Her eyes flashing, thirteen-year-old Lena Milano, of No. 2,355 Pacific street, Brooklyn, declared when arraigned in the New Jersey avenue police court that she was glad she had stabbed Tony Romano, four years her senior. The little girl inflicted more than a dozen wounds on the boy and he is now in St. Mary's hospital in a critical condition.

At first it was believed that the stabbing had taken place because of the boy insulting the little girl, but today the police learned the true story of the cause of the girl's anger.

Romano is the son of a grocer who has a store at No. 2,345 Pacific street. There are two other boys in the Romano family and they help their father in the grocery. Giovanni Milano, the girl's ten-year-old brother, went to the grocer's. No one was there but the three Romano boys and they started in to tease the little boy. He tried to run away, but was kicked and beaten by the three and went home crying.

No one was home but Lena, and the weeping younster told his sister of his having been beaten. She then went to the grocery to make the purchases that Giovanni had been told to make and when she protested to the boys about their having beaten a boy so much smaller than themselves she says they beat her.

The child returned to the house and going to her father's room took an old razor that was in a drawer and went out to look for the Romano boys. They had gone swimming and it was not until evening that she found any of them. Then at Pacific and Sackman streets she saw Tony Romano with a number of companions, and seeing the girl he told of how he and his brothers had beaten her. He started to tease the girl, but without a tremor the child advanced toward her tormentor and when within a foot or him drew the razor from her pocket and started slashing him. More than a dozen times the keen blade cut into Romano's neck, face and body.

The other boys started to overpower the girl, but Philip Mazzio, of No. 34 Nostrand avenue, interfered and declared that the little child had done perfectly right.

While this was going on Policeman Donaldson arrived on the scene. He placed the girl and Mazzio under arrest and then sent in an ambulance call to St. Mary's hospital.

TWENTY-FIVE YEARS AGO

What the Sentinel Had to Say About Persons and Events Twenty-Five Years Ago.

Marriage license: Royal L. Johnson and Mary M. Neireiter.

The temporary bridge over the St. Mary's river west of Wells street is passable now.

The electric light men are stringing wires on Calhoun street. The towers light the outside wards very poorly.

Hon. J. D. Sarnighausen will be one of the speakers at the democratic ratification meeting at Decatur tomorrow evening.

The Pfeiffer gravel road to the Academy station is being pushed forward rapidly. Forty teams are now hauling gravel to the bed from two pits.

At the next session of the county commissioners a resolution will be passed forbidding the use of the court room for political purposes. This restraint is right and will be strictly enforced.

Yesterday the large turtle spoken of in The Sentinel last evening was taken from the Strobel building cellar in a net and is now exhibited by the great and only Billy Stewart at the corner of Main and Court streets. The turtle is a huge one, and Fred Schmueckle congratulates himself that he was not nabbed in the cellar.

John McDonough, captain of the Fort Wayne baseball club, died this morning at Mt. Clemens, Mich. McDonough's case was a queer one. Exposure and foul tips disabled him for duty and he came home here. Dr. A. P. Buchman treated him and says he did not have consumption or any necessarily fatal disease, but as he had made up his mind he would die, no assurance could change his opinion, and Dr. Buchman believes this hurried his untimely end.

Democrats of the Fourth and Fifth wards met last night at Anderson's hall, and with Joseph Singmaster as temporary chairman formed a club with officers as follows: President, J. D. Olds; first vice president, William Yergens; second vice president, August Lankenau; secretary, A. J. Moynihan; treasurer, Willis D. Maier. Inside of this organization again was formed a Young Voters' club, officered as follows: Captain, Will Mommer; first lieutenant, Ernest Breimeier; second lieutenant, Edward Gruber; sergeant, N. D. Doughman. Speeches were made by James M. Robinson, Will Shambaugh, Hon. Montgomery Hamilton and A. J. Moynihan.

The treatments given at Spring Beach sanitarium, Rome City, Ind., is working wonders for rheumatism and all chronic troubles. 14-12t

WITH THE GENTRY SHOW.

Mlle. De Oesche Does Thrilling, Death-Defying Act.

Swinging one hundred feet above the ground, gripping a slender rope with her teeth, Mlle. Marionette De Oesche, one of the marvelous aerialists connected with Gentry Brothers' Famous Shows, which will be seen in Fort Wayne, next Wednesday, performs one of the most awe inspiring, death-defying acts ever witnessed in any exhibition.

Drawn to the roof of the tent by ten attendants the young French dancing girl dances "the dance of the Serpentine" in a perfect symmetry of motion. Hundreds of yards of silk compose her gown and as she swings backward and forward across the big arena, the folds of her gown sweeping brilliantly about, she brings to mind thoughts of fairies.

Following her serpentine dance, the young woman is lowered to the tan bark and after resting for a moment, she again siezes the cord in her teeth and is again drawn up. This time she swings heavy Indian clubs about her head and handles heavy iron dumb bells with ease and dexterity.

The number of world's cattle is estimated at 160,000,000 head.

The organ grinders of Vienna play only between noon and sunset.

Meyer Bros. Co., Three Drug Stores, are pleased to announce to their customers that they have secured the agency for Zemo, the best known remedy for the positive and permanent cure of Eczema. Pimples, Dandruff, Blackheads, piles and every form of Skin or Scalp disease. Zemo gives instant relief and cures by destroying the germ that causes the disease, leaving a clean, healthy skin. See display and photos of cures made by Zemo at Meyer Bros. Co. Ask for sample.

Lucretia De Vaux to John and Hattie Gulff, north ½ west ¼ southeast ¼, section 11, Milan township, for $3,800.

CATARRH CANNOT BE CURED with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

Democrats, Think!

After the primary, then the real battle. Do not make a mistake. Think! We want to win in November, don't we? Vote for the man who can win! Vote for a man who has always been a democrat—a man whom neighbors, relatives, laboring men—all classes—will support. Vote for a new deal—equality before the law. Think! Vote for party harmony and success in November. Vote for Albert E. Melching, a man who has always lived among you, and Fort Wayne will have an administration that will be new, clean, square, business-like, and for a Greater Fort Wayne. Think! Think!

DO NOT FAIL TO VOTE.

It is the right of every qualified voter to participate in the government of the city. That participation begins with tomorrow's primary election. There the voter's choice is first registered. He is privileged to choose from among the several men offering themselves for office those who for some reason or another make appeal to his favor. The vast majority of voters have no interest in choosing one man from another save to procure the services of him that promises best for the public welfare. If all patriotic, disinterested voters will go to the primary polls tomorrow and vote to that end the result will be salutary. No one having a right to vote should neglect that imperative duty of good citizenship.

The primary election by the system under which tomorrow's election will be held, is to the last degree democratic in principle. Beyond the fact that the law to conserve the integrity of the election must take cognizance of political parties there is absolutely no constraint upon the voter. His ballot is guarded by secrecy and it is registered by automatic process with which there can be no tampering. Once cast his vote perforce will be counted as it was registered.

The place to begin choosing the best men for office is at the primary. Let the unworthy candidates be eliminated there. It conduces to a cleaner and less disturbing campaign and makes assurance doubly sure that the wrong man will get no farther with his pretensions.

It is an obligation resting imperatively on every qualified voter to vote tomorrow. No good citizen will shirk this duty.

The French government loses the services of a masterful man in the retirement of M. Clemenceau, but doubtless it is best for the tranquility of the republic that he be succeeded. Clemenceau has been stern, uncompromising, almost despotic, in carrying through his program. There is small wonder that joy of a very popular sort follows his retirement. His handling of the church issues and his dealings with the strikers in the government service give clue to his character. He is not likely to turn back from any course upon which he sets out and the obstacles he meets he one way and another removes. Means trouble him little. He has been a well-meaning despot and the real backbone of the French government, for Fallieres, the president, has been largely figurehead. France will enjoy a greater degree of internal peace with Clemenceau in retirement, but it may be questioned if the republic will be stronger or safer. He is a great statesman and an intense patriot, but a radical of certain tendencies that are apt to be disturbing, as they have been so.

Great heat and fever for changes in governmental figures and figureheads. And the managers of the tinware campaign haven't confined their offices to the effete absolutisms of the near orient. Von Buelow in Germany has just retired after a long and quite stable regime and now Clemenceau and his ministry in France have gone out closing the longest era of any government since the third republic was reared. And down in Washington there are signs and tokens that the long and despotic reign of Nelson Willmarth Aldrich is about to be concluded. There is unrest in the world and if there isn't soon in this land free hides, free coal, free iron, free wool and some other raw materials free the unrest will make it possible for even Mr. Bryan to beat a republican. There are object lessons clear across continental Europe and on into Asia.

It appears that back of the death of young Lieutenant Sutton, the marine corps officer whose death is now under inquiry at Annapolis, was a free drinker, as were most of his companions who figure in the present investigation. Sutton died on the parade ground of the marine corps school at Annapolis some twenty months ago of a mysterious bullet wound alleged to have been self-inflicted with suicidal intent. His death followed an orgy which had culminated in his being badly beaten up by comrades, who now testify that Sutton after firing his revolver and thinking he had killed a brother officer turned his weapon upon himself and so died. The conduct of "an officer and a gentleman" appears to be embraced in a very wide latitude.

Wright boys merely to show that they're the real racket at soaring, have just set a new mark for heavier than air aviation in North America. Long Island flyer was getting close to their mark and a foreigner has sailed over enough of the English channel to prove that it can easily be done. Some day those Dayton lads will fly the Atlantic and give the other fellows a pattern worth while.

Mr. Taft is conciliating in a very busy fashion right along now. If it were the tother feller back in the white house it would be called fighting. However, there isn't so much in a name that revision downward will not be acceptable, whether procured by the joyous jolly or the jamful jolt.

Mr. Taft has not wrested all that he wanted from the standpat crew, but he has got a whole lot more than the standpatters wanted to give him. All in all, that is some victory.

The man who doesn't vote han't title to much of a kick when he finds he isn't getting all that's coming to him in the way of good government.

Only six or seven disorderly houses doing a blind tiger business and they are rather nice about it. That, of course, makes a difference.

According to Governor Marshall an Indiana legislature is a creature with which it is never prudent to take chances.

Fort Wayne voters will determine tomorrow very largely what they are going to do for the future of the city.

Vote early. Vote once — that's enough if everybody votes.

There are some candidates. Also some other varieties.

ON NATIONAL INFANTRY TEAM.

Lieut. Charles Reese Considered One of Best Shots in World.

For the third time within recent years Lieut. Charles Reese, whose residence is in this city but who has been stationed with the Fifteenth United States infantry at Fort Douglas, Utah, has been chosen upon the national infantry team to contest at the national shoot at Camp Perry, O., within a few weeks. Lieut. Reese is considered by many one of the best shots in the world as he has a quick and accurate style that puts him in a class almost by himself.

A GREAT BUNCH OF ENTRIES FOR RACES

About 100 Head are Added as the Result of One Week's Work.

About one hundred head of fast harness horses from the best circuits of the middle west have been secured for entry in the Red Ribbon races here next week as the result of this week's work on the part of Secretary P. T. Strieder. From the Great Western circuit meeting Mr. Strieder landed thirty entries and at Lima, O., he secured sixteen head. He will make a second trip to Lima and expects to land two more fine animals. Mr. Strieder went to Montpelier Thursday, where he expects to close up with the owners of twenty-five to thirty horses.

Shipments of horses are now arriving daily at the Driving park, which has been converted into an exceedingly busy place. The stables are rapidly filling up and all day horses are worked on the track, which is in gilt-edged shape.

Interest in the coming races has been stirred up throughout the territory contiguous to Fort Wayne and with favorable weather it is expected that great crowds will attend. The Citizens' band has been engaged to play during the four days of racing, which begins Wednesday.

CUTTING TOUR SHORTER.

S. M. Foster Will Return Earlier Than Originally Planned.

Frank L. Taft yesterday received a cablegram from S. M. Foster, now in Sweden, announcing that he had decided to abandon the Russian portion of the European tour. Mr. and Mrs. Foster will return to Fort Wayne late in August, several weeks earlier than provided in the originally itinerary.

WOUNDED BY MORGAN'S MEN.

Man Never a Soldier Dies of an Old War Wound.

Salem, Ind., July 22.—Henry Hoar, said to be the only United States pensioner that never was a soldier or in any way connected with the army, died today from a bullet wound received in the John Morgan raid July 10, 1863. Hoar was shot through the body while escaping from the raiders who were destroying property in this vicinity. He was an invalid until his death, but had prospered. For years he drew a pension of $50 a month.

THE NARROW PATH

"Jack seems to have braced up." "Yes, he has an object in life now. He's paying alimony."

MORGAN BACK WITH NO SIGN OF A GRUMP

Financial Magnate Hopeful of Future, But Not Saying Much.

New York, July 22.—J. Pierpont Morgan, who departed for his annual European trip on February 2 last, came back to New York last night feeling well. He said he expected to be at his desk in the financial district today.

Mr. Morgan arrived on the White Star liner Majestic and when the vessel docked went abroad his yacht, the Corsair, which met and preceded the big liner up the bay.

Concerning the attempts of American financiers, headed by himself, to list United States Steel common on the Paris bourse, Mr. Morgan would say but little.

"That," he said, "is in the hands of the French government and must work itself out. It is a matter of time."

Reticent on French Politics.

He would make no prediction as to the outcome of the negotiations, nor would he give an opinion as to whether the cabinet crisis in France would have any effect on the situation.

Mr. Morgan, it will be recalled, held a personal interview while in Paris with M. Callaux, the minister of finance, in an endeavor to bring about the listing of Steel common. While reports as to the success of his mission have varied, those who talked with him last night were inclined to think that his explanation that it was in the hands of the government sums up the situation.

Mr. Morgan said he knew nothing of the rumors concerning a probable increase in the Steel common dividend.

"That is a matter which has not been discussed so far as I know."

Gets Market "Dope" by Wireless.

That he was familiar with the latest market quotations notwithstanding the fact that he was abroad a ship was shown when he smilingly corrected an interviewer, who said that Steel common yesterday closed at 71½.

"You mean 70½," said Mr. Morgan, who had evidently seen the day's market by wireless.

On the subject of art the financier talked even less, if that is possible, than he did of steel. He declined to say what new treasures he had purchased abroad or whether he would bring any of his London collection to New York in the event of tariff adjustment favorable to the importation of art objects.

"They look pretty well in London," he said with a smile.

"Mum" on Chinese Railroad Loan.

Of the developments in the $27,500,000 loan to finance the Hankow railroad in China, Mr. Morgan said he knew nothing. When informed that dispatches from Peking this week indicated that America was to have an equal share with Great Britain, France and Germany, Mr. Morgan said he was gratified, but must wait for the details. J. P. Morgan & Co. have been the American firm spoken of in connection with America's participation in the enterprise.

Financial conditions abroad in general were good, said Mr. Morgan, but he volunteered no further information along this line. He showed interest in the progress at Washington on the tariff bill, but made no predictions as to the outcome.

During the voyage over Mr. Morgan was affable, but spent most of his time on the promenade deck reading. He wore a Panama hat and smoked his usual big black cigar.

BLOW SAFE AT OOLITIC.

Burglars Fail to Get Anything and Are Frightened Away.

Bedford, Ind., July 22.—An effort was made here yesterday afternoon to trace the safeblowers who attempted to rob the Oolitic postoffice Tuesday night, but bloodhounds brought from Indianapolis failed to find a trail.

When the safe was blown with nitroglycerin residents in the immediate vicinity were aroused and ran to the postoffice building. The robbers became frightened and fled. They secured nothing, failing to open an inner door of the safe.

The burglars are supposed to have believed a large amount of money was in the safe, which is usually accumulated by the sale of money orders to foreigners, but such was not the case, as the foreigners' pay day was delayed this month.

CHILDREN WHO ARE SICKLY

ELECTRIC TALKS

No. 166

The Whole Thing in a Nutshell

We are all interested to see Fort Wayne THRIVE.

No one, by the very nature of our business, MORE interested THAN OURSELVES.

We believe in our public and its love of FAIR PLAY AND JUSTICE. We have invested MILLIONS on that ONE BELIEF.

Are we to be justified in our confidence in the public's sense of Fair Play and to invest more?

EDUCATED public opinion means the SALVATION of municipal government.

We are DEVOTING our ENERGIES and TALKS to PROVING THAT POINT.

Those energies are directed to digging up THE FACTS that bear on the relations of the City to its citizens.

To MAKING CLEAR the meaning and lessons of these FACTS.

In other words, to showing the actual EXPERIENCE of other cities in solving questions of city government.

All this for our own Fort Wayne's civic GUIDANCE or warning.

Especially that experience that has to do with public services or UTILITIES, usually handled in America by private or corporate capital, but sometimes handled by city officials.

Should a city, like ours, ENCOURAGE individual and corporate ENTERPRISE in its public service, or should it DISCOURAGE IT by Municipal Ownership?

Should a city adopt a policy of COMPETITION WITH ITS OWN CITIZENS in what is not a public service, but only a semi-public one, like commercial lighting?

Should a city engage in supplying PRIVATE LIGHTING any more than PRIVATE HEATING?

In supplying electric current for the house any more than putting stove-coal and furnace-coal into the coal bin?

If the City has undertaken municipal ownership and HAS LOST thousands by so doing, should it be allowed to continue losing?

If the City has found competition with its own citizens disastrous should it be permitted to ADD TO that disaster?

Is an early close to a losing game a sign of horse-sense and business foresight, or not?

Is a continuance in a losing game an indication of TRUSTWORTHY GUIDANCE under a SOUND civic POLICY?

We have presented FACTS in these Talks which enable every reader to decide these points for himself.

We have done our part in TURNING ON THE LIGHT.

Were you connected? Did you discover things?

The City primaries tomorrow give each voter a chance to record his convictions based on those discoveries.

From those who are there named as candidates for city offices will be chosen the officials that will give us four years of CIVIC PROGRSS or else four years of THE OLD THING.

It rests with the public, with the individual citizens, which it shall be.

As TAXPAYERS and as VOTERS we owe it to Fort Wayne to be LOYAL to her best interests and record our will at the primaries.

Let us unite for a PROGRESSIVE Fort Wayne.

Fort Wayne & Wabash Valley Traction Co.

VOTE FOR

AUGUST M. SCHMIDT

FOR MAYOR

A TRUE DEMOCRAT—ONE WHO HAS ALWAYS SUPPORTED ALL DEMOCRATIC NOMINEES, NATIONAL, STATE, CITY AND COUNTY—A DEMOCRAT WHO WILL BE ELECTED IF NOMINATED.

To the Voters of the City of Ft. Wayne:

On Friday, July 23, it will be the duty of every citizen, irrespective of party, to cast his ballot for such men as he believes best qualified to serve the interests of all citizens. Preliminary to this date a campaign has been waged in this city during the past four months among the different aspirants for the official position of mayor of our city. I, as one of the candidates, have made my campaign without great newspaper flurry, without beer meetings and without automobiles.

My first duty to my native city and to my family is to work, and as my salary is but ordinary I have not the time nor money to keep pace with some of the other candidates who have both time and money.

I have seen a great many of my friends and have tried to see all of the voters of the city, and now at the end of this campaign I appeal to the good judgment of our citizens to consider my candidacy favorably if their principles are in harmony with mine.

As a candidate I desire to say that I am absolutely free from any promises whatever. I have no grafters on my trail nor any set of men advocating my election who are continuously looking for public favors. Those associated with me in my campaign are democrats after the primaries as well as before.

With my nomination and election I guarantee that I will use my best efforts to appoint to office such men whose business qualifications, character and integrity will warrant public confidence.

I am opposed to the violation of the law, and will not tolerate law violation. If nominated and elected no blind tigers, dives, disreputable saloons or gambling places will be permitted to exist during my administration.

Our streets must be kept neat, clean and in repair. I believe in the improvement of all streets, sidewalks and sewers consistent with the progressive character of our city, and also pledge myself to obtain as soon as possible a Muncipal Asphalt Plant to be used in the repairing of streets.

I believe in the establishment and maintenance of Parks and Playgrounds and of beautifying our city.

I believe in the establishment and maintenance and enlargement of our Municipal Electric Lighting Plant for the proper lighting of public streets as well as PRIVATE HOMES. My record on this question is open to all. My fight has been in line with the policy of our present mayor, Mr. Hosey, on this question, and all of my actions have been in defense of our Municipal Electric Lighting Plant. My knowledge of its construction, equipment, cost and operation will enable me, if nominated and elected, to extend and improve the same with ability and foresight and at the lowest possible cost. I know the enemies of our Municipal Lighting Plant and they know me. They also know that there will be no compromise on this proposition and the "Electric Talks" will be a matter of history as soon as I am in office.

The City Water Works System is one of the best public Municipal Institutions in the country, yet like all municipal undertakings it has its enemies. Knowing its value and its physical condition, I will guarantee to every citizen pure rock well water at the present prices during my administration.

I believe in the immediate erection of a suitable Market House in harmony with our progressive city.

Having been an active advocate of Track Elevation, and instrumental in the passage of the law which invested the city with the power to force track elevation, I shall deem it my duty, if elected, to proceed without delay to bring about track elevation at once with the least possible expense to the city.

I am in no sense connected with any railroad corporation, as a director or stockholder, which will in any manner interfere with me performing my duty on this question in the interest of the citizens of Fort Wayne.

This in short is my platform. Those who know me best will vouch for me that if nominated and elected I shall fulfill the promises made herein.

I appeal to all citizens who believe in clean, progressive and honest city government, track elevation, the ownership of our Municipal Electric Light and Power Plant and the extension and improvement of our Water Works System, to vote for me.

AUGUST M. SCHMIDT

IN THE CITY'S CHURCHES

FORT WAYNE MEN AT HEAD OF WALTHER LEAGUE

President F. A. Klein and Secretary H. G. Pfeiffer are Re-elected.

As a result of the election of officers at the seventeenth annual convention of the Walther league, which closed at Milwaukee this morning Prof. F. A. Klein, of Fort Wayne, was re-elected president and Henry G. Pfeiffer again chosen corresponding secretary. Both of these men have filled their offices with marked efficiency and success and are well worthy of the honors bestowed. Prof. Klein is a teacher at Zion's Lutheran school.

Prominent among those taking part in the convention was Rev. Philip Wambsganss, pastor of Emmaus Lutheran church in this city. He opened Tuesday morning's session with prayer and on Tuesday afternoon addressed the local and visiting delegates on "Our Lutheran Training School." He emphasized the importance of the Fort Wayne institution and paid a tribute to the young women who devote their lives to ministering to the afflicted. There are nine hospitals in the Missouri synod and in the discussion that followed his address it was decided to admit only Lutheran women to the training schools of these institutions. Wednesday evening one of the closing addresses was given by Rev. Wambsganss, other speakers for the occasion being Rev. P. Kleinhaus, of Cleveland, and William Dallman, of Milwaukee.

Many questions were discussed during the convention which more or less directly concerned the league as a body. In answer to the question as to whether English or German should be used in the conduct of the annual meetings, it was decided to retain the use of the German, delegates being permitted, however, to speak in English if so desired. Every branch of the Walther league was urged to elect a reporter to send news for the condensed news column of the "Vereinbote," the official paper of the Walther league. The branches were recommended and encouraged to start lecture courses during the coming winter.

Rev. Wambsganss in his Tuesday afternoon address took occasion to point out that the young people should make a greater effort in contributing to some of the needy denominational institutions and hence it was voted by the assembled delegates that two-thirds of the offerings made during the convention be contributed to the Feeble-Minded Institute at Watertown, Wis. The formation of new branches of the league were reported from St. Peter's church, Wilkesbarre, Pa.; Emmaus church, Buffalo, N. Y.; and St. John's church, Laporte, Ind. According to the treasurer's report the total receipts for the past year were $1,618.22; total expenditures, $1,203.51 leaving a surplus in the treasury of $414.17.

In the election of officers Huntington Walther league also shared in the honors. J. H. Renn, being elected financial secretary. The social features enjoyed by the delegates during their stay in Milwaukee were thoroughly enjoyed. On Tuesday the visitors were entertained at an ice cream social at Schlitz park and this morning the closing social event took place in an outing at Reynolds park, where a baseball game was played and various contests participated in by the local and visiting delegates.

The Fort Wayne party is expected to return today from the convention. Those attending from this city are: Rev. Philip Wambsganss, Prof. F. A. Klein, Henry G. Pfeiffer, Mart Wyneken, Edward Wyneken, O. Marahrens, Lewis Kramer, Misses Emma Lepper, Anna M. Gallmeier, Anna Schmidt, Frida Schmidt, Nellie Grimm, Etta Gallmeyer and Frida Kampe.

PROF. F. A. KLEIN.
Fort Wayne Man Who Has Just Been Re-Elected President of the Walther League.

* * *

REV. ALBERTUS TO PREACH.

Trial Sermon for Pastorate of Christ's Lutheran Church.

Rev. Percy J. Albertus, of Nokomis, Ill., will preach at Christ's Lutheran church on Sunday, August 1. This will be a trial sermon prior to his appointment to the vacant pastorate for which he is regarded favorably. Sunday morning, August 8, following the regular service a meeting of the congregation will be held and the matter of appointing him pastor will be voted on by members.

The effort of securing a pastor for the local church is in the hands of the church council, the members of which are: H. E. Franks, chairman; J. F. Bauerle, secretary; Ernest Ehle, Jacob Shafer, J. W. Minehart, George Ohneck and William F. Geller. The former pastor, Rev. William H. Schrock, who found it necessary to resign on account of declining health is much improved and expects in November to take a charge at Riverside, Cal., where climatic conditions will do much towards accomplishing his complete restoration to health.

Under the direction of Superintendent J. W. Minehart, the Sunday school of Christ's Lutheran church will give a picnic next Friday, July 30, at Swinney park.

* * *

REFORMED CHURCH PICNIC.

Grace Congregation Enjoys Outing at Swinney Park.

The annual picnic of the Sunday school and congregation of Grace Reformed church was held today at Swinneys park. Despite the fact that many of the congregation are absent from the city, there was a gratifying attendance and the affair was thoroughly enjoyed. Conveyances were provided for the children who assembled at the church at 9 o'clock this morning and were taken to scene of the day's festivities. Basket lunch was enjoyed at noon and weather permitting it is also planned to have supper at the park this evening. An ice cream booth and refreshment stands were features at the park where the array of good things in the baskets might be supplemented or baskets emptied long before the supper hour replenished.

Rev. Dr. and Mrs. Allan K. Zartman accompanied the children and many of the adult members of the congregation also joined in the annual picnic. Large toy balloons secured by Dr. Zartman will be sent up from the park during the day for the amusement of the children. While no definite program of amusements was arranged, the boys played base ball and entered enthusiastically into other games that were in order.

OFFERING FOR NEW CHURCH.

Local Societies Visit Decatur and Contribute to Cause.

One of the most enjoyable church social affairs of the season was the reception tendered the Fort Wayne Ladies' Aid society of St. John's and Salem Reformed churches at Decatur, Tuesday afternoon, where the members were the guests of the Aid society of Zion's Reformed church. The Salem church party, numbering twenty-seven left the city at 1 o'clock and half an hour later the special car chartered by St. John's church society departed with a party of fifty-eight ladies and fifteen children.

The visitors were met at Stop 32, Decatur, by a reception committee of twelve ladies by whom they were escorted to the home of Mrs. Voight, president of the Decatur Ladies' Aid society. An informal reception followed and during the early part of the afternoon piano selections were enjoyed. Later the guests were invited to the spacious lawn where an address of welcome was given by Rev. L. C. Hessert, pastor of Zion's Reformed church. Later he read the 23 Psalm and prayer was offered by Rev. Edward Kielsmeier, pastor of Salem church, Fort Wayne. Another address of welcome was then given, Mrs. Voight addressing the ladies. The reason for the special meeting was explained, the hostess stating that some time ago it had been planned to have a dollar offering meeting at which each of the Decatur members would contribute a dollar and explain how it was earned. The roll was called and as each member, about thirty-seven being present, responded, the donar explained the means by which it was earned. This offering it was announced was to be added to a fund which the ladies are forming towards building a new church in the future, the present edifice being inadequate to accomodate the entire congregation. Anxious also to assist in the good cause, the visitors made a free will offering which amounted to over $36, and later the ladies of St. John's church of Fort Wayne gave an additional $4, thus nearly $80 was realized.

Luncheon and refreshments were served on the lawn by eight young ladies and later the entire party, numbering over one hundred and fifty were Photographed. Both of the Fort Wayne societies returned in the evening, after visiting points of interest in the near-by town and getting acquainted with the Reformed church society members there.

* * *

AMONG THE CHURCHES.

Daily Record of Current Events in Religious Circles.

The Senior Christian Endeavor society of the Third Presbyterian church will give a picnic at Robison park, Tuesday, July 27.

Dennis A. Wolford, storekeeper Pennsylvania company, will address the 3 o'clock Sunday afternoon meeting at the Railroad Y. M. C. A. Rev. C. Claud Travis, pastor of Wayne Street Methodist Episcopal church will address the meeting Sunday, August 1, and on the first Sunday of September, Rev. R. A. Thibos, the new pastor of the Third Church of Christ will address the meeting.

The buildings on the southwest corner of South Harrison and Butler streets have been torn down to make way for the new church hall of St. Patrick's parish, and it is expected that work towards the erection of the new edifice will begin shortly.

The Ladies' Sewing society of Emmaus Lutheran church will give a picnic at Robison park on Thursday, July 29.

Rev. Philip Wambsganss, pastor of Emmaus Lutheran church will return today from Milwaukee, where he attended the seventeenth annual convention of the Walther league. The local delegates are also expected today.

Mrs. Wilson T. Loring left today for Bluffton, to join her husband, the local pastor of the Free Methodist church, who has gone there to open a ten days' camp meeting of the Methodists of the Fort Wayne district.

A meeting of the Ladies' society of Salem Reformed church was held today at the home of Mrs. Gottlieb Haller, 227 West Butler street.

Rev. H. P. Dannecker, pastor of St. John's Evangelical Lutheran church will go to Toledo, O., Monday, August 2, to attend a meeting of the beneficiary board of the northern district of the Evangelical Lutheran joint synod of Ohio and other states. The local pastor is president of the board.

The first division of the Ladies' Aid society of the First Methodist Episcopal church will be entertained on Tuesday afternoon, August 10, at the home of Mrs. Ada Pickett, 1305 East Wayne street. The Lakeside division meets the following day, August 11, with Mrs. Jamison, 1309 Crescent avenue.

Rev. Dr. and Mrs. Allan K. Zartman, of Grace Reformed church expect to spend the month of August at a cottage in Rome City. Dr. Zartman will return for the conduct of Sunday services each week, however, and together with Mrs. Zartman will likely spend ten days the latter part of August, at the Winona Bible school.

The Baraca Sunday school class of the First Methodist Episcopal church will give an ice cream social this evening on the parsonage lawn. In case of rain the social will be held in the church parlors.

A Food Which Cures Sore Stomachs

The people of the South are high livers. The consequent "biliousness" is wrongly charged to the climate. It is a common custom with Southern people when the stomach goes on a strike to live on rice for a few days. Toasted Rice Flakes with cream and fresh fruits for breakfast, is a good prescription for steady use. Said a New Orleans merchant: "Rice is our doctor in the South." A big package for ten cents at the grocers.

Business Men and Others Take Notice

During the month of July the LaSalle Extension university, of Chicago, in order to establish their "Business Administration Course" in Fort Wayne will send this course absolutely free of tuition to anyone desiring a higher education in business. This course teaches all phases of business by the recognized practical men of affairs in three nations combined with the faculties of thirteen leading universities. Leave your address at Room 2 Seidel bldg., and

Prof. W. H. Tuck

will call on you and explain their work. You get the same training and instruction as that of Harvard, Yale, and other universities.

It's genuine pleasure to Smoke one of

Coony Bayer Cigar Co. BRANDS.

SAGE FOR DARKENING THE HAIR.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderfully beneficial effect. Nowadays we don't have to resort to the old-time, tiresome method of gathering the herbs and making the brew. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready made product. Wyeth's Sage and Sulphur, containing sage in the proper strength, with the addition of Sulphur, another old-time scalp remedy. This preparation is sold by all first-class druggists for 50c. and $1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

For sale and recommended by Meyer Bros., special agents.

BECOMING A MOTHER

Is an ordeal which all women approach with dread, for nothing compares to the pain of child-birth. The thought of the suffering in store for her robs the expectant mother of pleasant anticipations. Thousands of women have found the use of **Mother's Friend** robs confinement of much pain and insures safety to life of mother and child. This liniment is a God-send to women at the critical time. Not only does **Mother's Friend** carry women safely through the perils of child-birth, but it prepares the system for the coming event, relieves "morning sickness," and other discomforts. Sold by druggists at $1.00. Book of valuable information mailed free.

THE BRADFIELD REGULATOR CO. Atlanta, Ga.

MOTHER'S FRIEND

SOCIETY

A lovely post-nuptial entertainment in honor of Mrs. Walter Barrett was given this afternoon by Miss Elinor Bond at her home in Fairfield avenue. It was a garden party and the attractive yard at the Bond home was decorated with tables, easy chairs, and cushions while the company of ladies in summer gowns made the scene one of still greater beauty. On the tables were an ice, cakes and punch were presided over by Mrs. Jessie Bond, Mrs. C. D. Gorham and Mrs. Jack Kuhns, many colored zinnias banked the bowls holding the refreshments. Shasta daisies, calliapsis and gaillardia filled jardiniers and bowls on the lawn and on the porch and in the house were bowls of sweetpeas and nasturtiums. Miss Bond was assisted in receiving by Mrs. Barrett and in entertaining the callers and serving by Mrs. C. E. Bond, Mrs. Frank I. Brown, Mrs. Nellie Fee, Mrs. Herbert Bond, Miss Florence Barrett, Mrs. Stephen D. Bond, Miss Peters and Miss Helen Peters, Miss Edna Reuss, Miss Della Rossell, Miss Lura Fee, Miss Grace Smith, Mrs. Herman Breidenstein, Miss Louise Bond.

* * *

Miss Swayne, of West Berry street, gave an informal little thimble party on Tuesday afternoon in honor of her guests, Miss Chambers, of Newcastle, and Miss Woerner, of Indianapolis. Last evening Miss Schrader, of Rockhill street, entertained informally in honor of the same guests.

* * *

Miss Daisy Harpold, of Edgewater, Ill., who is visiting Mr. and Mrs. Fred S. Hunting was the guest for whom Mrs. Hunting gave a "riddle" luncheon today. The decorations were yellow and white daisies, the place cards were watercolor sketches of daisies, the guests received corsage bouquets of the same kind of flowers and in every course of the luncheon the colors and form of the decorative flowers appeared. The "riddle" was to guess what was coming before each course appeared and that proved to be as merry a contest as one could have desired and whetted the appetites for the tempting dishes when they were served. There were fourteen at the table, including Mrs. Hughes, of Chicago, Mrs. George Jacobs, of Cleveland and Mrs. Fred Davis, of Schenectady, N. Y.

* * *

Mrs. Frank L. Taft went to Columbus, O., today to visit relatives.

Mrs. Ben Lehman and children have gone to St. Louis, Mich., to spend the rest of the summer.

Mrs. Edward McCalley has returned to Middlepoint, O., after a visit with Miss Alice Knight.

Miss Ruth Blythe, of Mt. Gilead, O., is visiting Mr. and Mrs. T. O. Blythe, of 406 Dawson street.

Mrs. T. H. Haberkorn and Miss Jessie Haberkorn have returned from an outing at Lake George.

Mr. and Mrs. William Seidel have as their guest at their Lake James cottage, Mr. Seidel's mother.

Mr. and Mrs. Marx Dukes, of West Wayne street, returned last evening from an extended lake trip.

Misses Theresa and Elsa Brandes are visiting the family of August Freese, of West Creighton avenue.

Mrs. B. F. Sarver, of 133 East Williams street, and her son, Paul, are visiting friends in Pennsylvania.

Dr. J. W. Autenreith has gone to Utica, N. Y., to visit relatives and will also visit other eastern points.

Mrs. H. Eisele and son, of 1851 Broadway, left this morning for Springfield, Ill., to visit her parents.

Mrs. E. Zentner entertained the Idaho Thimble club yesterday afternoon at her home in Anderson avenue.

Herbert Fee came home today from Arkansas where he has been working to visit his mother and other relatives.

Miss Leo Chambers, of Newcastle, and Miss Myrtle Woerner, of Indianapolis, are visiting Miss Swayne, of West Berry street.

Miss Myra Smith, of East Wayne street, has as her guest Mrs. George Strayer, of Ashley, who will be here a week or ten days.

Mrs. I. G. Stafford returned to Texas today after a visit with her parents, Mr. and Mrs. Sheridan, who live east of the city.

Mrs. James Barnett is expected from Los Angeles, Cal., this week to spend some time here with Miss Barnett and other relatives.

Mr. and Mrs. Frank Baldwin and daughter, Hazel, of Boone street, are in Chicago for a week's visit with friends and relatives.

Mr. and Mrs. Ed Orr and son, Donald, of 223 Mechanic street, went to Chicago today to spend a week visiting friends and relatives.

Mr. and Mrs. E. E. Tanner and Mr. and Mrs. Willard Van Camp have returned from Zanesville, O., and a two weeks' automobile trip.

Miss Lucelle Reitmeier, of Lafayette, is visiting her aunt, Miss Josephine Rekers, of Washington boulevard west, for a few weeks.

Mrs. J. A. Greene and son went to Burt lake, Mich., today to spend the rest of the summer. Mr. Greene will join them later for two weeks.

Mr. and Mrs. Elijah Robinson, of 1012 Huffman street, left today for Kansas City, Mo., where they will visit their daughter, Mrs. Orpha Wood.

Miss Martha Lurnm and Miss Rose Ganline, of Auburn, were the honor guests at a dinner given yesterday by Mrs. G. P. Biegler, of 1528 Wells street.

Mrs. John Cornish and Mrs. Nathan Doupe and daughter, Velma, of Kirkton, Ontario, are visiting Mr. and Mrs. Frank Cornish, of 2711 Hoagland avenue.

Miss Nannie McLachlan, who had been visiting her sister, Mrs. C. L. Olds, for one day, has gone to Chautauqua, N. Y., to further continue her advanced study in library work.

Mrs. H. S. Mensch, of Dayton, O., and Mrs. John George, of Syracuse, N. Y., are visiting their brother, F. P. Mensch, and family, of East Fourth street.

S. L. Nelson and daughter, Miss Jeannette, of Peoria, Ill., who had been spending two days here with relatives, have gone to Culver where a son, William Nelson, is attending the summer term.

Dr. and Mrs. Carl Schilling and daughter, Marguerite, went to Mt. Clemens, Mich., yesterday and will go to Mackinac Island for a further trip before they return. They will be gone about a month.

Mr. and Mrs. Peter Eggemann, of Lafayette street, have as guests Mrs. Charles Stetzel and daughter, of Huntington, and Mrs. J. P. Fein, of Frankfort, Ky. There was a reunion of the Eggemann family held on Sunday at the home of Mrs. Stetzel near Huntington.

A. Mohler and daughter, Miss Lizzie Mohler, of Huntington, who had been visiting their son and brother, O. E. Mohler and family, left today for a visit in Muncie. Mr. Mohler, sr., is eighty-seven years old but is remarkably active and vigorous for his years.

The S. K. R. S. club met at the home of Miss Lillian Scheafer and arranged to go to Rome City for an outing the first week in August. Other members of the club are Misses Minnie and Clara Leinker, Emma Rippe, Kate Leinker, Maggie Scheafer and Mathilda Scheafer.

Miss Edna Devilbiss, who lives north of the city, entertained the members of the public high school class of recent graduation at her home Tuesday evening. The guests were met at the end of the street car line with hayrack teams and at the Devilbiss home there followed a merry time toasting various good things to eat over a big fire built out of doors.

Miss Marie Baltes, of Defiance, O., who is visiting Miss May Centlivre, was the guest for whom Miss Jeannette Ryan, of Old Fort place, gave a little supper and theater party last evening. The guests included Misses Loretta and Grace Barva, Helen Mommer, Juliette Lang, Jaunita Ryan and Marie Sommers. The theater party was at the Majestic Airdome.

A party of young people who gathered at the home of Mr. and Mrs. Smith, of Lumbard street, to celebrate the sixteenth birth anniversary of their daughter, Grace, enjoyed an evening of music, dancing, games and refreshments. There were twenty-four guests who enjoyed the good time. Will Wiegan planned the affair. Miss Smith received a number of pretty gifts.

Mrs. A. C. McMillan, of 2340 Smith street, gave a very pretty little party today for her little niece, Mildred Rasher, of Logansport, who is visiting at the McMillan home. A number of little children from the neighborhood enjoyed playing games and a fine dinner at noon. The table was trimmed in pink for the party and the guests were Claudine Kring, Laura and Norma Gerding, Velma Reinken, Marie Schellhammer, Esther Steib, Helen and Tracy Junk, Cecelia, Helen and Louise Bilski.

Two Piece Circular Wash Frock

By Mrs. Jane Ford.

516

6 SIZES 2 TO 12 YEARS

Pictured here is a novelty—a two-piece dress that will fit girls from two to twelve years of age. The drawing shows how simple it is to construct, and the finishing requires such a short space of time that it need haardly be considered.

To copy this little dress for a girl eight years old, four and one-half yards of goods twenty-seven inches wide, or three yards thirty-six inches in width, will be required. The fact that this frock is of the circular type, thus bringing much of the goods on the bias, need not deter mothers from adopting it for wash fabrics, since the possibility of the material stretching was considered when designing the model.

The skirt is gored to prevent its sagging, and the waist portion is kept in place by the belt at the waist line.

After the material is cut the most inexperienced home sewer may proceed with perfect confidence, for so long as the directions on the label are followed the result cannot be other than satisfactory.

It will be seen by the diagram that the closing is effected at the back. However, when preferred it may be made at the center or side front. This change will not be difficult, as it simply means the cutting of goods at the front instead of at the back.

After the waist and skirt have been sewed they should be trimmed before they are joined, and a band of the trimming material used for the belt that conceals the joining.

When working with tub fabrics it is best to finish all seams with a French fell, as it is stronger than the ordinary seam, and does not leave rough edges that must be overcast.

A dainty frock suitable for dressy occasions can be copied after this model and ornamented with Val lace insertion and edging, and worn over a colored China silk slip.

For every day a plain Dutch blue linen would be pretty if the decorating bands were of the goods braided with white. A natural colored linen could have bands of dark brown, embroidered with green.

A Country Party.

The Misses Ruth and Florence Moore entertained the members of the T. T. T. club at their country home near Wallen last Saturday evening. A fine supper was served out of doors. The guests were Misses Pearl and Carrie Oplinger, Sadie Cook, Eudoxia and Esther Girard, Mary Till.

* * *

Celebrated Golden Wedding.

A large gathering of friends at the beautiful home of Mr. and Mrs. Jacob Miller, south of the city, was held on July 17 in celebration of their golden wedding. The large barn was opened and had been lighted for the occasion and there were also musicians there to fiddle for those who wanted to dance. An elegant supper had been provided for refreshment of the guests. Mr. and Mrs. Miller received several handsome gifts from relatives and friends.

* * *

A Country Party.

Miss Ella Hallfeldt and August Freese, jr., celebrated the twenty-second anniversary of their birth on Wednesday afternoon and evening at the home of Mr. and Mrs. Henry Hallfeldt, ten miles south of the city. The porch and yard were beautifully decorated with flowers and Chinese lanterns. A buffet luncheon was served. The guests were Mr. and Mrs. William Schroeder, Mr. and Mrs. August Freese, sr., Misses Catherine and Maria Meyers, Louise and Minnie Schroeder, Emma, Amelia and Lucile Hallfeldt, Wilma, Esther and Lydia Freese, Rose Gibson, Alma Winte, Lulu Yergens, Alma Doehrman, Edna Jones, of Tryon, N. C., and Theresa and Elsa Brandes, of Huntington, Ind., Messrs. William Schroeder, jr., Frank and Clem Gibson, Henry Freese, Arthur and Ed Hallfeldt and Dick Horman.

IN THE THEATERS

VERY CLEVER JUGGLER.

Fred Wilson, at Airdome, Uses Both Feathers and Empty Barrels.

Fred Wilson, the comedy juggler at the Majestic Airdome this week, has been seen in Fort Wayne before, but his clever act always presents some new features, and he utilizes a wide range of material from a feather to an empty barrel in his equilibristic feats.

The bill this week is a good one. It offers Gibney, Bicknell and Schroder in "The Lady, the Lobster and the Wise Guy," Frank Jones in a new illustrated song, Carberry and Stanton in character songs, and Douglass and Douglass in an excellent acrobatic act. The two performances nightly are given at 8 and 9:15 o'clock.

* * *

"Spooks" at the Lyric.

The Spook minstrels still continue to please large audiences at the Lyric and at every performance prove themselves one of the best of novelty attractions. Tomorrow evening in addition to the minstrel part of the program there will be a big amateur show. Andrew Johnson will render "Love Me and the World is Mine." Mr. Johnson will be remembered as singing "Grand Old Flag" here a few weeks ago. Changes in the minstrel entertainment are made for today and the rest of the week. The Knickerbocker quartet appeared in full costume last night and met with much applause.

BOY'S PRANK SERIOUS.

Fred Goette Dislocates and Breaks Arm When Thrown Off Wheel.

Fred Goette, jr., the 12-year-old son of Fred Goette, 584 East Creighton avenue, was riding his bicycle along in front of his home last evening when a playmate in a boyish manner grabbed one of the handle-bars and in so doing threw Goette head first. The lad alighted on his left arm, dislocating the elbow and fracturing the arm above. The dislocation and break are about as serious as could occur.

RECIPES.

Coffee Jelly.

Put 3 heaping tablespoonfuls powdered gelatine into a saucepan, add 2 pints water, ½ pint strong coffee, 6 tablespoonfuls sugar, 1 tablespoonful brandy and whites and shells of 2 eggs. Stand it over the fire and whisk till it boils, remove the beater and boil 1 minute. Remove from fire, allow to settle 5 minutes then strain. Pour into a wet mold. Turn out when set and serve with whipped, sweetened cream flavored with vanilla.

Cheese Souffle.

Melt in a saucepan 1 tablespoonful butter, mix with it 1 tablespoonful flour, then add 1 gill milk, boil till it thickens. Remove saucepan from fire, add ½ teaspoonful salt, little pepper and mix well, then add yolks of 3 eggs mixing thoroughly, 3 ounces grated cheese, and fold in the stiffly beaten whites of the eggs. Pour into a buttered tin, cover with buttered paper and bake in a hot oven 20 minutes. Serve immediately.

UNCLE SAM MAY PUT AIRSHIPS ON THE WAITING LIST

Economical Streak Likely to Prevent Provision in Appropriations.

Washington, July 22.—The United States is not likely to make great progress in aerial navigation during the next fiscal year as a result of any encouragement offered inventors by congress. The spirit of economy in governmental circles is now so pronounced as to discourage even the asking for funds by the war department for the purchase of any class of airships.

Last year General Allen, chief signal officer, advocated an appropriation of half a million dollars for experimental work and he succeeded in not only having that estimate sent to congress by the war department but in having it favorably acted upon by the committee of the whole house, only to meet defeat before the appropriation bill was passed by the house itself. This year there is such close paring of all estimates that it is not likely that any money will even be asked for this purpose.

The board of ordinance of the army now has $45,000 for airship experiments, $25,000 to be paid to the Wright brothers if they succeed in making a flight of ten miles at the rate of 36 miles an hour carrying one person besides the operator and $20,000 to A. M. Herring if he meets practically similar requirements. This will be the end of experimental work unless some interest in aerial navigation is shown by congress in the form of a liberal appropriation.

ACTRESS STABBED BY SISTER.

Eliza Warren Attacked by Woman Demented Over Loss of Son.

Cleveland, O., July 22.—Miss Eliza Warren, a well known actress and head of a local schol of elocution and acting, probably was stabbed fatally yesterday by her sister, Mrs. Mary Sutton, who was temporarily demented. The encounter occurred in Miss Warren's downtown studio in the Republic building on Euclid avenue, and caused considerable excitement in the building.

Recently Mrs. Sutton lost a son, and she has grieved over his death until, it is thought, her mind is affected. Miss Warren has been living at Mrs. Sutton's home, but last night both remained at the studio.

Miss Warren was awakened by her sister, who stabbed her three times. In the struggle for the knife Mrs. Sutton also was cut severely. Miss Warren was rescued by the building engineer, who burst in the studio door. Both were taken to a hospital in the same ambulance.

BACK TO HIS FIRST WIFE.

To Do It Michigan Man Divorced Wife No. 2.

Port Huron, Mich., July 22.—In the circuit court William Micks was granted a divorce from Nellie Micks, and the action of the court relieves him from all danger of prosecution in a case instituted against him several months ago, in which he was charged with polygamy.

Micks explained in police court when arraigned on this charge that he thought that wife No. 1 had secured a divorce, which he did not find to be untrue until after he had married the second woman. He then began suit against wife No. 2 for a divorce and will now return to live with his first helpmeet.

O. Smenners, who has been a patient at Hope hospital for many weeks, was able to return to his home at 1312 North Harrison street today.

HARRY PFLEGER FOR COUNCIL FROM FIFTH

In the Fifth ward the voters will find Harry Pfleger, of 707 Runion avenue, an aggressive and able man, before them as a candidate for the republican nomination for councilman from that ward. Mr. Pfleger is a foreman at the Wayne Knitting mills, a property owner and an intelligent, progressive citizen of the best type. He is promising that if elected he will serve his district to the best of his ability and there is no doubt that the ability exists.

PERFECTION BISCUIT COMPANY

TO THE PEOPLE OF FORT WAYNE:

During my period of office (1899) I recommended the creation of the fund for the erection of a Municipal Lighting Plant. I am now for the maintenance and extension of that plant to the end that all the people may secure a cheaper and better light. I am for Track Elevation to the end that the lives of our citizens be safeguarded and our growing south side be placed in better communication with the down-town section. I am not the benefactor, the director or stockholder in any corporation. I am from the common people and I appeal to the people as the people's candidate.

HENRY P. SCHERER

ALBERT J. MULDOON,

Candidate for City Clerk in Democratic Primary, Well Known and Much Esteemed.

Tomorrow will be nominated men to be elected next November to fill the various city offices. While the interest seems to be centered in the different candidates for mayor, the voters must not lose sight of the fact that they should nominate the best men for all the offices.

ALBERT J. MULDOON.

Mr. Muldoon, candidate for city clerk, is one of the best men the voters could nominate; he has made a clean campaign among the voters, and in a straightforward way has told them to investigate and find out what his reputation, character and abilities are; and we can say, if those things count, he will have a big majority at the polls tomorrow. Mr. Muldoon was born and lived on a farm south of Fort Wayne until removing to this city some fourteen years ago. He resides in the Sixth ward, owns considerable real estate, is a heavy taxpayer, and necessarily interested in the city. He has for some years been engaged in insurance and real estate, and his record and reputation are above reproach. 1t

Foley's Honey and Tar not only stops chronic coughs that weaken the constitution and develop into consumption, but heals and strengthens the lungs. It affords comfort and relief in the worst cases of chronic bronchitis, asthma, hay fever and lung trouble. Dreier Bros.

TYPHOID ATTACKS U. S. NAVY.

Mild Epidemic in Fleet at Provincetown Laid to Potatoes.

Boston, Mass., July 22.—There is a mild epidemic of typhoid fever among the sailors of the battleship fleet now mobilized at Provincetown and fears are felt that the disease may make still greater inroads among the men.

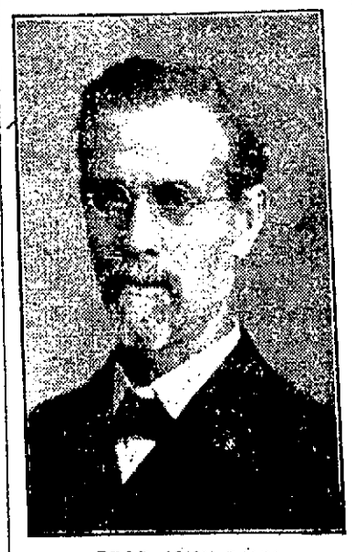
Fourteen patients suffering with typhoid were brought from the fleet to the Charlestown navy yard by the battleship Maine. They were placed in the United States naval hospital at Chelsea.

The stewards of the fleet have informed the ship doctors that they believe the typhoid germs have been brought in on potatoes from the supply ship and an investigation of this phase of the question will be made at once.

WANTS TEACHING OF PLANT LIFE IN SCHOOLS

John Davy, Tree Expert, in an Interesting Talk on Tree Culture.

Urging the addition of the teaching of plant life to the curriculum of the schools, Prof. John Davy, of Kent, O., widely known as "the father of tree surgery," delivered an interesting talk at the Commercial club rooms Wednesday evening on the planting, care and preservation of trees. Incidentally he delivered some broadside attacks on what he termed the "tree butchers," who whack off the tops of trees to bring out the lateral branches and hopelessly maim and disfigure the tree.



PROF. JOHN DAVY,

Expert Who Gave Interesting Talk on Tree Preservation.

"I am here to preach salvation free, for every plant and shrub and tree," declared Mr. Davy in opening his address. He referred to the rapid destruction of the forests and asserted that little was being done in the way of reforestration—that for every two acres of forest that is being converted into lumber, but a single tree is being planted to replace the destruction. He laid down the three propositions that all life is divine, that in all realms of life the laws of God are practically identical, and contended that the life of the tree is as real as that of the human being.

Not Getting Possibilities.

"We are not getting the possibility out of tree life that we should," continued Prof. Davy, "by proper care of the roots and control of the tops." His talk was illustrated by 150 stereopticon pictures of tree life that strikingly brought out his contention regarding the planting and care of trees. The tree, Prof. Davy contends, is only an expression of root conditions, and it unfailingly responds to your treatment, whether it be good or bad. Shade trees, he said, should be planted inside the sidewalk line to permit free root action, and not in the narrow grass plot between the sidewalk line and the curb.

For narrow streets he recommended the planting of the Norway maple as most adaptible to adverse conditions. Too thick planting is another mistake often made. The beauty of the three is its individuality, and he cautioned against running after fads in exotics to the neglect of the native trees. He urged that the control of the trees of the city be placed with the park commission, and urged rigid laws against the inexpert mutilation of trees. "The tree-butcher would be better serving his country in the penitentiary than in unskillfully mutilating and destroying the beauty of our trees," declared Mr. Davy with much emphasis. He entered at length into an explanation of some of the troubles encountered in the care of trees, emphasizing the necessity of soil preparation and cautioning against an attempt to grow fine trees with restricted root growth when they are planted. The root area of the tree is naturally as great as that of its top, he explained, and any material reduction of the root area by cutting reduces the chance of the tree's development. Various forms of tree surgery in arresting decay were illustrated.

Mr. Davy explained that he expected to spend a day or two in Fort Wayne and hoped to be of service in the examination of particular specimens of trees about the city. He referred specifically to the two handsome elms on the postoffice grounds, but pointed out defects that if not remedied meant the speedy decay of these specimens. The audience was large and gave the speaker close attention.

Made Organization Permanent.

The meeting was under the auspices of the Civic Revival committee, and Chairman R. B. Hanna, of the subcommittee, reported the plans for the permanent organization to be known as the Fort Wayne Civic Improvement association, along lines already published. The report was adopted, as well as the constitution and by-laws of the new organization. Incorporation papers were signed and have been forwarded to Indianapolis for record. The Fort Wayne Civic Improvement association, with C. H. Worden as president, thus superceded the Civic Revival committee.

EDITORS TO HAVE AN OUTING.

Republican Scribes to Visit Summer Resorts of Two States.

South Bend, Ind., July 22.—The editors of the republican newspapers of Indiana will visit summer resorts of northern Indiana and lower Michigan in the course of their annual outing, during the latter half of next month. The members of the Editor's association will assemble in this city on Wednesday, July 18, as the guests of the South Bend chamber of commerce. Excursions will take them to St. Joseph and other points on Lake Michigan and to several of the northern Indiana lakes. F. A. Miller, editor of the Tribune has charge of the arrangements.

THOSE STATESMEN OF OURS.

Hoosier Representatives to Attend Party on Roof.

Washington, July 22.—Senator Beveridge, Senator Shively and the thirteen Indiana representatives have accepted invitations to be present at a roof garden party to be given by the Indiana Society of Washington on the Y. M. C. A. roof this evening. The Rebew orchestra of twenty pieces, under the direction of H. W. Weber, of Indiana, will furnish music for the occasion.

The party is designed as a sort of farewell meeting in honor of the Indiana senators and representatives in congress, all of whom will be leaving for their homes within a few days for the summer.

The program will consist of numbers by Miss Florence Girouard, soprano; Mrs. D. Ollin Leech, contralto; B. A. Lineback, basso; Thomas L. Jones, tenor; Alfred W. Falconer, humorist, and Messrs. Schmidt and Dodge, of the orchestra, with a clarinet duet. The Y. M. C. A. roof garden will be illuminated and decorated for the occasion and refreshments will be served there after the program is concluded.

Siberia has sixty days of rain each year, on the average.

Madam, See What You Lose On 5-Cent Cans

The 10-cent cans of Van Camp's Milk give you sixteen ounces—the 5-cent cans only six ounces. Note how much this means.

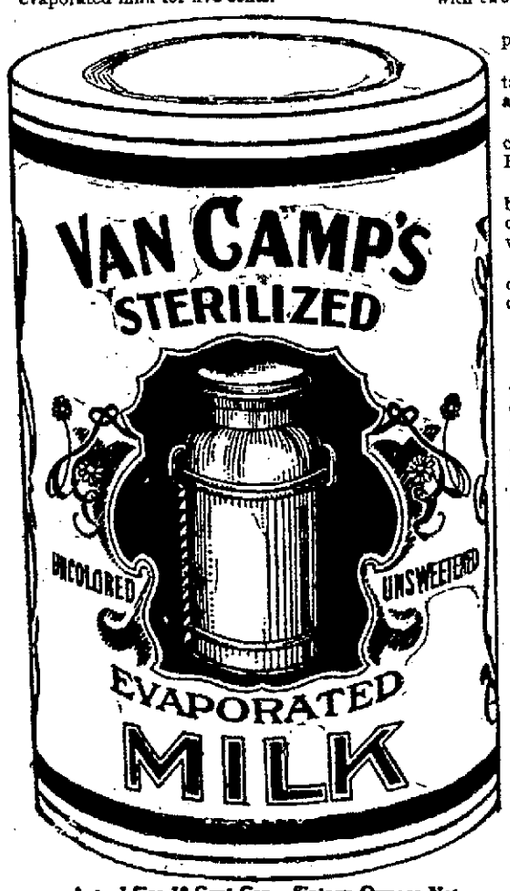
You get six ounces of evaporated milk in a 5-cent can of Van Camp's.

But you get sixteen ounces in the 10-cent can—a full pint. And you get the same milk in both.

That is one of the ways in which you lose money by buying the 5-cent can. Let us explain them all.

No Maker Gives More

No maker gives more than six ounces of evaporated milk for five cents.



Actual Size 10-Cent Can. Sixteen Ounces Net.

Thin milk, with too little water evaporated, costs just the same as Van Camp's.

So you get just as much of Van Camp's as you get of the poorest milk on the market.

But you spend more than you ought when you buy any milk in the 5-cent size

Figure It Out

Van Camp's is simply rich Holstein milk, with two-thirds the water evaporated.

The milk as it comes to you is 28 per cent solids, 8 per cent butter fat.

If you replace the water which we take out, you should get rich milk for about six cents per quart.

That is based on buying the 10-cent cans, and buying them by the case. For grocers give discounts on cases.

But the 5-cent cans—even when bought by the case—make the milk cost you over eight cents per quart when you replace the water.

So you will see you are paying just one-third more when you buy the 5-cent cans.

Use It for Cooking

The trouble is here: Most people who buy the 5-cent cans don't use Van Camp's for cooking.

They use it for coffee and cereals, perhaps. But they still use raw milk for making milk dishes. And there they lose the greatest service that Van Camp's Milk can render.

Milk dishes made with Van Camp's have a flavor and richness which raw milk never gives. You will use Van Camp's forever when you once learn the difference.

The reason is that raw milk separates. The butter fat rises and the solids fall. When milkman's milk is used in cooking, it generally comes very far from whole milk.

Van Camp's is whole milk. It has all of the butter fat, all of the solids it had when it came from the cow. It will make your milk dishes twice as delicious as dishes made of raw milk.

Van Camp's Milk Keeps

Van Camp's Milk will keep because it is thoroughly sterilized. An opened can will keep 24 hours in ordinary weather. It will keep 48 hours or longer on ice.

If you use only part, you can leave the rest in the can and use it next day. You don't need to buy in small cans for fear the opened cans will spoil.

Our Object Is This

It may seem better for us to sell six ounces for 5 cents than sixteen ounces for 10 cents.

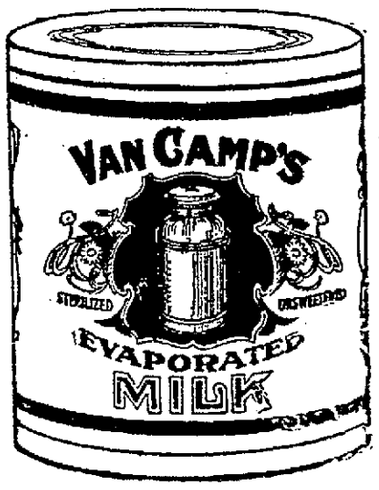
But it isn't. Our interest lies in making this milk economical. It should completely displace milkman's milk.

Van Camp's Milk serves every purpose fully twice better than raw milk. You will use more of it when you learn these facts, and learn the economical can.

Then the usual milk sold in 5-cent cans is often a vastly inferior milk.

So we urge you to buy the 10-cent cans and get the full worth of your money.

And don't buy from day to day, as you bought milkman's milk. Buy a case at a time and get the case discount. Then you will have the best milk in America for less than poor milk costs.



Actual Size 5-Cent Can. Six Ounces Net.

HOME TROUPE WINS THE OPENER AT SOUTH BEND

Weird Contest Gives Hendricks' Men Boost in the Column.

South Bend, Ind., July 22.—In a weird and saffron struggle the Fort Wayne team took the opener from Aggie Grant's bunch by a score of 8 to 5. The locals were off color in fielding and had little merit in the gunnery to back up. Fort Wayne cannot be said to have furnished a brilliant example of ball, but it was a pinch or two better than they had to meet.

Alberts was sent in for the visitors and was doing what he could in off-day service to promote the home bunch to victory, when, in the fourth inning, he was put in the stocks by Umpire Eckman, just imported by President Carson from the American association. Alberts had just routed his fourth man to the first stopover without price and Hendricks was then issuing the order for Robertson to go in when Eckman put a summary cloiture on the Fort Wayne twirler's essay at joint discussion with his umps by sending him to the roost.

South Bend scored three on the getaway and landed one each in the fourth and seventh. Fort Wayne's prides duplicated the Benders' first-inning performance in their half and got one in the second, one in the fourth, two in the eighth and another in the closing session.

Eckman's work with the indicator may have been due to nervousness consequent upon a first performance on new soil, but a first performance on new soil, but whatever it was due to, it was not satisfactory and the crowd was very frank with him. In the seventh Core laid himself up along the fence to catch Channell's far swatted fly and got the ball squarely, held it an instant and then the shock of the impact with the boards went through him and the sphere fell from his mitt. "Out!" yawped the crowd and "safe!" croaked the umpire. Mr. Eckman awarded the decision to himself, whereupon the fans raised much breeze.

In detail the phantasy was somewhat as thus:

SOUTH BEND.

CHAMPS PUT CRIMP IN LEADERS ON HOME LOT

Evansville Wins Once Lost Game—Central League Contests.

Zanesville, O., July 22.—The champs bore down on the leaders from the rear and put a knot in the score in the seventh and eighth innings, beginning the run getting when four tallies in the minority, and made it strong with three runs in the ninth. Knoll's stick work featured the contest. Begley made his debut with the home team. The score:

	R.	H.	E.
Evansville 0 0 0 0 0 0 2 2 3	7	10	1
Zanesville 1 1 0 0 1 1 0 0 0	4	12	3

Batteries—O'Brien and Cady; Sample and Smith.

Three-base hits—Knoll, Crowder, O'Brien. Two-base hit—Knoll. Sacrifice hits—Wares, Hillinger, Herald, Spangler, Smith, Sample, Crowder. Sacrifice flies—Two-base hit—Knoll. Sacrifice hits—Begley, Butcher, Dundon. Struck out—By O'Brien, 3; by Sample, 3. Bases on balls—Off Sample, 2. Hit by pitcher—O'Brien, Wares, Loyd. Double play—Sneger to Grofe to Cady. Left on bases—Zanesville, 10; Evansville, 7. Time of game—1:48. Umpires—Gardner and Gosney. Attendance—403.

WHEELING, 2; TERRE HAUTE, 1.

Wheeling, W. Va., July 22.—Both Richardson and Asher pitched great ball, errors by Terre Haute being responsible for their defeat of 2 to 1. The score:

	R.	H.	E.
Terre Haute ...0 1 0 0 0 0 0 0 0—1	6	5	
Wheeling .....0 0 0 0 1 0 1 0 *—2	5	1	

Batteries—Asher and Brennan; Richardson and Stratton.

Two-base hit—McDonald. Sacrifice hits—Somerlott, Stratton, Richardson, Donahue. Stolen bases—Jewell, Tarleton, Donahue, Salm. Passed balls—Somerlott, 2. Hit by pitcher—Salm. First base on errors—Wheeling, 4. Left on bases—Wheeling, 6; Terre Haute, 5. Struck out—By Asher, 2; by Richardson, 5. Bases on balls—Off Asher, 3; off Richardson, 3. Time of game—1:40. Umpire—Killen.

GRAND RAPIDS, 2; DAYTON, 1.

Dayton, O., July 22.—The Vets outhit and outfielded the Stags, but Nally lost a fly in the sun in the fifth and the visitors won the game. Wessell and Raidy fielded magnificently. Both Pinkney and Hagerman were in rare form. The score:

	R.	H.	E.
Grand Rapids ..0 0 0 0 2 0 0 0 0—2	6	4	
Dayton .....1 0 0 0 0 0 0 0 0—1	7	0	

Batteries—Hagerman and Bailey; Pinkney and Kurke.

Two-base hits—Hartman, Larue. Sacrifice hits—Murdock, Bailey. Double play—Wessell to Heller to Myers. Stolen bases—Nally, Hennessy. Struck out—By Hagerman, 7. Bases on balls—Off Pinkney, 2; off Hagerman, 3. Time of game—1:45. Umpire—Jacobs.

ECZEMA IS NOW CURABLE.

JEFFRIES WILL GO EAST TO MAKE A MATCH

Announces He Will Post a Forfeit for Johnson at End of Tour.

New York, July 22.—James J. Jeffries, retired heavyweight champion, sent a telegram to a friend here from Minneapolis stating that as soon as his tour closes next Sunday he will come to this city with Sam Berger and post a forfeit for a fight with Jack Johnson. Jeffries says he will leave for Carlsbad on August 5 and that it will require five months from the time of signing articles to put him in tip-top shape for a championship mill. Jeffries reports his weight as 235 pounds at present and says he is feeling fine.

ST. LOUIS HERE TUESDAY.

American Leaguers From Budweiserville to Play Locals.

The St. Louis American League team will play an exhibition game on the Fort Wayne lot with Hendricks' men next Tuesday afternoon and a big attendance will doubtless greet the warriors.

St. Louis will have with the aggregation Lou Criger, an old Fort Wayne favorite of the Tri-State league days, and now one of the premier backstops of the country. Rube Waddell, the erratic, will be along and this may be the last chance of Fort Wayne fans to see him in a St. Louis uniform or any other for that matter, because you never can tell what Rube is going to do next. Nineteen ten may see him with an aeroplane and a lunch bucket trying to rope the north pole. Anyhow, next Tuesday he will be here. Hendricks will present his strongest line-up against the major leaguers and attempt to repeat the dose he gave the St. Louis National league team last year, when Stan Robison's aggregation was shut out.

IN THE SHAMROCK FOLD.

The Shamrocks worked out at League park last evening, from 6 to 7:30, and will work out again this evening. A hard battle is anticipated with Van Wert Sunday and the players are working faithfully to be in shape to take the double-header from the Van Wert crew.

The fans are according the Fort Wayne Shamrocks better support in the way of attendance than any time since the fast semi-pro club played at League park. And the Shamrock management is doing everything possible to merit the support. A big double-header bill will be staged again next Sunday, when the locals will go against the strong Van Wert professionals. The first game will be called at 2 o'clock.

HOW TO CURE SKIN DISEASES.

The germs and their poisons which cause the disease must be drawn to the surface of the skin and destroyed.

Zemo, a scientific preparation for external use, will do this and will positively cure Eczema, Pimples, Dandruff and every form of skin or scalp disease. See photos of many remarkable cures and show case or window display at Meyer Bros. Co. Three Drug Stores. Ask for sample.

Boys' $1.00 plaited waists, 59c for the next ten days.

TIGERS SET CLASW AND STOP THEIR SLIDING

Champions Defeat the New York Crowd—Cleveland Wins from Boston.

Detroit, Mich., July 22.—Summers made his first appearance since his eighteen-inning no-score game of Friday and held New York to five scattered hits, easily blanking them. He was brilliantly supported, especially by Bush. Hughes pitched well, but bunched hits cost him one tally and Killifer made a home run. Laporte was spiked by Bush and was forced to retire. The score: R. H. E.

Detroit .....0 0 1 1 0 0 0 0 *—2	10	2	
New York .....0 0 0 0 0 0 0 0 0—0	5	2	

Batteries — Summers and Schmidt; Hughes and Kleinow.

Two-base hit—Keeler. Home run— Killifer. Sacrifice hit—Austin. Stolen base—Bush. Double play—Elberfeld to Chase to Austin. Left on bases—Detroit, 10; New York, 7. Bases on balls—Off Summers, 1; off Hughes, 2. Struck out—By Summers, 4; by Hughes, 3. Time of game—1:45. Umpires—Connolly and Egan.

CLEVELAND, 4; BOSTON, 2.

Cleveland, O., July 22.—Cleveland defeated Boston, 4 to 2. Ryan was wild and ineffective in the first inning, and before he was taken out Cleveland scored four runs, which were enough to win the game. Cleveland could do nothing with either Pape or Collins, who succeeded Ryan, while Berger was effective, except in the first inning. Manager Lajoie played his first game since June 23. The score: R. H. E.

Cleveland .....4 0 0 0 0 0 0 0 *—4	7	0	
Boston .....1 0 0 0 0 0 0 1 0—2	7	0	

Batteries—Berger and Clarke; Ryan, Pape, Collins and Donohue.

Three-base hit—Lajoie. Sacrifice hits—Ball, Lord. Double play—Lajoie to Ball to Stovall. Hits—Off Ryan, 3 in 1-3 inning; off Pape, 3 in 6 2-3 innings; off Collins, 1 in 1 inning. Bases on balls—Off Berger, 4; off Ryan, 1; off Pape, 3. Hit by pitcher—By Ryan, Lajoie. Struck out—By Berger, 7; by Pape, 2; by Collins, 1. Wild pitch—Pape. Time of game—1:45. Umpires—Sheridan and Kerin.

CHICAGO, 6; WASHINGTON, 3.

Chicago, Ill., July 22.—Burns was sent against his one-time comrades and held them. Johnson, the star of the statesmen, was larruped hard in spots. The score: R. H. E.

Chicago .....2 0 3 0 0 0 1 0 *—6	12	2	
Washington ....0 0 2 0 0 1 0 0 0—3	5	0	

Batteries—Burns and Owens; Johnson and Street.

Runs—Altizer 3, Parent, Davis, Dougherty, Lelivelt, Street, Johnson. Two-base hits—Davis, Browne, Lelivelt. Three-base hits—Altizer, Dougherty. Sacrifice hits—Milan, Johnson, Browne, Purtell, Owens. Stolen bases—Parent, Altizer. Double play—Johnson to McBride to Donohue. Left on bases—Chicago, 7; Washington, 4. Bases on balls—Off Burns, 1; off Johnson, 2. Hit by pitcher—Browne. Struck out—By Burns, 1; by Johnson, 2. Time of game—1:32. Umpires—Perrine and Evans.

Many people with chronic throat and lung trouble have found comfort and relief in Foley's Honey and Tar as it cures stubborn coughs after other treatment has failed. L. M. Ruggles, Reasnor, Iowa, writes: "The doctors said I had consumption, and I got no better until I took Foley's Honey and Tar. It stopped the hemorrhages and pain in my lungs and they are now as sound as a bullet." Dreier Bros.

We pay the highest market price for strictly fresh Butter and Eggs.

LEAGUE LEADERS IN SLUMP, LOSE ONE MORE BATTLE

Phillies Board the Pirate Craft—Scores in the National League.

Philadelphia, Pa., July 22.—The Pirates dropped another to Philadelphia in a game with the score 2 to 1. Moore pitched effective ball throughout and was given fruitless support at all times. The score: R. H. E.

Philadelphia ...0 0 2 0 0 0 0 0 *—2	7	0	
Pittsburg .....0 0 0 0 0 0 0 1 0 0—1	5	2	

Batteries—Moore and Dooin; Willis, Brand and Gibson.

Hits—Off Willis, 5 in 6 innings; off Brandon, 2 in 2 innings. Two-base hits—Grant (2), Miller. Sacrifice hit—Moore. Stolen bases—Titus, Wagner. Struck out—By Moore, 2; by Willis, 2; by Brandon, 1. Double plays—Miller to Abstein; Ward to Bransfield. Bases on balls—Off Moore, 2; off Willis, 1. Hit by pitched ball—By Willis, 1 (Titus). Time of game: 1:42. Umpire—Klem.

BOSTON, 7; CINCINNATI, 2.

Boston, July 22.—Boston made it an even break with Cincinnati by winning 7 to 2. Errors and bunched hits in the fourth inning gave the locals runs sufficient to win. The score: R. H. E.

Cincinnati .....0 0 0 1 0 1 0 0 0—2	10	4	
Boston .....0 0 0 5 1 0 1 0 *—7	6	2	

Batteries—Campbell, Dubuc, Castleton and McLean and Roth; Richie and Graham.

Two-base hit—Beaumont. Three-base hit—Stein. Hits—Off Campbell, 4 in 3 1-3 innings; off Dubuc, 2 in 2 2-3 innings. Sacrifice hits—Shean (2), Stem, Becker. Stolen bases—Sweeney, Thomas, Shean (2), Graham. Double plays—Coffey to Shean to Stem (2); Shean to Coffey to Mowrey to Hoblitzel to Mowrey. First base on balls—Off Dubuc, 3; off Castleton, 2; off Richie, 1. Hit by pitcher—By Campbell, Coffey; by Castleton, Shean. Struck out—By Richie, 3; by Campbell, 2; by Dubuc, 2; by Castleton, 1. Time of game—2:03. Umpire—O'Day.

NEW YORK, 11; ST. LOUIS, 7.

New York, July 22.—In a poorly played game, New York defeated St. Louis 11 to 7. Bridwell's batting and Byrne's fielding were features. An X-ray examination of Pitcher Mathewson's injured hand showed that it was mashed, not broken, as first supposed. Mathewson will be able to twirl by the end of next week. The score: R. H. E.

St. Louis .....0 1 3 0 0 0 2 1 0—7	14	4	
New York ....4 1 2 2 1 0 1 0 *—11	13	1	

Batteries—Beebe, Melter, Bachman and Phelps and Bliss; Marquard, Raymond and Meyers and Schlei.

Two-base hits—Tenney, Devlin. Three-base hit—Doyle. Sacrifice hits—Devlin, Shafer. Sacrifice fly—Delehanty. Stolen bases—Shaw, Murray (2), O'Hara, Devlin, Bridwell. Double play—Phelps to Delehanty to Konetchy to Delehanty. Struck out—By Marquard, 3; by Raymond, 3; by Melter, 3. Bases on balls—Off Beebe, 3; off Marquard, 3; off Raymond, 3; off Melter, 2; off Bachman, 2. Wild pitch—Melter. Hits—Off Marquard, 2 in 2 innings; off Raymond, 12 in 7 innings; off Beebe, 4 in 2 innings (no one out in third); off Melter, 8 in 4 innings; off Bachman, 1 in 3 innings. Time of game—2:23. Umpires—Emslie and Kane.

CHICAGO, 3; BROOKLYN, 2.

Brooklyn, N. Y., July 22.—Chicago was handed the rubber game of the series 3 to 2 by a cluster of three errors, two of them by Alperman, in the fifth inning. The score: R. H. E.

Chicago .....0 0 0 0 3 0 0 0 0—3	6	0	
Brooklyn .....0 0 0 0 0 0 1 1 0—2	10	5	

Batteries—Overall, Brown and Archer; McIntyre and Bergen.

Two-base hits—Sheckard, Jordan, Hummell, Lennox. Hits—Off Overall, 9 in 7 2-3 innings; off Brown, 1 in 2 1-3 innings. Sacrifice hits—Steinfeldt, Jordan. Stolen bases—Evers, Schulte. Double plays—McIntyre to McMillan to Jordan; McMillan to Alperman to Jordan; McElveen to Alperman to Jordan; Evers to Chance. First base on balls—Off Overall, 2; off McIntyre, 5. Hit by pitcher—By Overall, McElveen. Struck out—By Overall, 7; by Brown, 2; by McIntyre, 3. Wild pitch—Overall, 1; Brown, 1. Time of game—1:53. Umpires—Rigler and Johnstone.

Everyone would be benefite by taking Foley's Orino Laxative for stomach and liver trouble and habitual constipation. It sweetens the stomach and breath, gently stimulates the liver and regulates the bowels and is much superior to pills and ordinary laxatives. Why not try Foley's Orino Laxative today? Dreier Bros.

Bakers of Birmingham, England, have raised the price of four-pound loaves of bread 1 cent. British households depend upon the baker for their daily bread and it is impossible to obtain a cook who can make bread at home.

Delay in commencing treatment for a slight irregularity that could have been cured quickly by Foley's Kidney Remedy may result in a serious kidney disease. Foley's Kidney Remedy builds up the worn out tissues and strengthens these organs. Dreier Bros.

In Japan a convict may earn enough money while in jail to maintain his family. He has the best of food and lodging, is taught a trade and if he wishes pursues the study of foreign languages.

Delay in taking Foley's Kidney Remedy if you have backache, kidney or bladder trouble, fastens the disease upon you and makes a cure more difficult. Commence taking Foley's Kidney Remedy today and you will soon be well. Why risk a serious malady? Dreier Bros.

Now is the time to buy your automobile cap, gloves and duster.

SAINTS TAKE GAME FROM THE OLD CHAMPS

Indianapolis Loses to the St. Pauls—Howley is Badly Hurt.

Indianapolis, Ind., July 22.—The champions dropped another game to the Saints by a one-sided score, 6 to 1, being the official count. Cheney was rapped with freedom and his support was yellow. Catcher Howley was hit by a foul tip in the third inning and had to be carried from the field. The score: R. H. E.

St. Paul .....0 0 3 0 0 0 0 3 0—6	6	1	
Indianapolis ....0 0 0 0 1 0 0 0 0—1	9	5	

Batteries—Karger and Yeager; Cheney and Howley and Stone. Umpire—Sullivan.

COLUMBUS, 4; KANSAS CITY, 2.

Columbus, O., July 22.—Moriarity three times and O'Rourke once opened innings of the game with Kansas City by getting on. Each instance a run resulted. The score: R. H. E.

Columbus .....0 0 1 1 1 0 1 0 *—4	6	3	
Kansas City ...0 0 0 0 0 2 0 0 0—2	5	4	

Batteries—Geyer and Schreck; Essick and Sullivan. Umpires—Owens and Guthrie.

TOLEDO, 8; MINNEAPOLIS, 2.

Toledo, O., July 22.—Bunched hits in the second and fifth innings, together with costly errors by Minneapolis, gave Toledo an easy victory, 8 to 2. The score: R. H. E.

Toledo .....0 3 0 0 5 0 0 0 *—8	10	1	
Minneapolis ....0 0 1 0 0 1 0 0 0—2	7	4	

Batteries—Robinson and Abbott; Wilson and Rapp. Umpire—King.

MILWAUKEE, 9-3; LOUISVILLE, 1-2.

Louisville, Ky., July 22.—Milwaukee won both games of a double-header from Louisville through the effective work of McGlynn on the slab. Score first game: R. H. E.

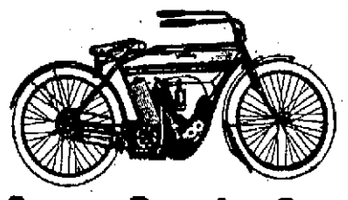
Louisville .....0 0 1 0 0 0 0 0 0—1	6	6	
Milwaukee .....0 1 2 0 0 1 5 0 0—9	9	0	

Batteries—Halla and Peitz; McGlynn, Wacker and Moran. Umpires—Hayes and Conahan.

Score second game: R. H. E.

Louisville .....1 0 0 0 0 0 1 0 0—2	6	3	
Milwaukee .....0 1 1 0 0 0 0 0 1—3	10	2	

Batteries—Selby and Hughes; McGlynn and Moran. Umpires—Haynes and Conahan.



Some People Say

THEY WANT A MOTORCYCLE FOR TOURING NOT FOR RACING.

That's the INDIAN, the THOR and the R.-S.

They have power essential for success on the road or hill—THEY ARE GOOD EVERYWHERE.

HIGHEST QUALITY.
CHOICEST CONSTRUCTION.

The motorcycle that hasn't ability enough to make a respectable race hasn't the ability to give satisfaction anywhere, but you don't HAVE to race.

If you do not care for a large machine, get a smaller one. INDIANS, THORS and the R.-S. are built in several sizes—2½ H. P., 3½ and 4 single cylinder, 5 H. P. 6 and 7 Twins, for all around riders. Belt or chain drive.

English Manager Who Has Come Over.

LOUIS CALVERT

New York, July 22.—Mr. Louis Calvert, a well known English actor and stage manager, who has been appointed to make the productions of classical plays at the New Theater, arrived on the Atlantic transport line steamship Minnehaha. With him were his wife and two children, the Misses Beatrice and Patricia Calvert.

"This is my fourth visit to this country," he said, as he gazed at the tall buildings, "Whenever I start for the United States I think of my father. He was here in the early 70's and played Henry V. for, I think three days. He was called home, and when I met him at the steamship he exclaimed:

" 'My boy, I had an excellent time. I was treated like a prince.'

"That remark has planted a good feeling in me for your country."

Northern Indiana News and Gossip

Bluffton will have a street fair in September.

Modern Woodmen will give a big picnic at Mongo, August 7.

The Mershon School of Music, Warsaw, has opened a branch at Albion.

Members of the Reformed congregation at Decatur are raising a fund to build a new church.

Perry Romine, well-known Auburn resident, died Wednesday afternoon at the age of 66 years.

Franke Burke, of Wakarusa, has leased the Ruick opera house at Lagrange for a moving picture show.

Martin J. Mylott has been appointed waterworks superintendent at Decatur. The office of city engineer was left vacant.

Fire partially destroyed the old Samuel Shutt residence near Spencerville, a few days ago. It is the largest farm residence in DeKalb county.

Henry G. Pence, Columbia City saloon man put out of business by the local option election, will embark in the grocery business with his son.

Frank Markley, a Wells county stock-raiser, has sold a carload of, seventy-one hogs for $1,300. The porkers averaged 200 pounds each in weight.

Odell Haflich, 9 years old, son of Mr. and Mrs. Frank Haflich, near Bluffton, was kicked in the face by a colt Wednesday and rendered unconscious by the injury.

Contract for the grading of the proposed Bluffton, Geneva and Celina traction line between Geneva and Linn Grove has been let to Bears, Brown & Co., Adams county contractors.

The three-year-old daughter of Jud Thimble, at Logansport, found a bottle of laudanum, swallowed a teaspoonful of the stuff and then told her mother what she had done. Prompt medical assistance saved the child's life.

Miss Jennie Wade, witness in a justice court case at Lagro, declined to give her age upon the witness stand, and no threat of contempt of court could wring it from her. The incident caused much merriment among the spectators.

Mrs. Martha J. Gaylord, wife of James E. Gaylord, of Columbia City, died early Wednesday morning from poisoning which is supposed to have been due to eating toadstools which she mistook for mushrooms, a week before.

The Crow Motor Car company, capitalized at $50,000, there being 500 shares of $100 each, has been incorporated to do a manufacturing business in Elkhart. Edward C. Crow, Frank A. Howe and Martin E. Crow are the incorporators.

John B. Scott, of Fort Wayne, convicted at Columbia City of the murder of C. Walter Thornton in the Scott saloon last January, has been taken to Michigan City to begin his indeterminate prison sentence of two to twenty-one years. He says he hopes by good behavior to cut his sentence down to the minimum.

Suits have been started by several attorneys to secure fees from persons who interested themselves in the recent prosecution of Dr. G. E. Snearley, of Roann, and retained lawyers to assist in the prosecution of the case against the doctor which was dismissed when evidence disclosed that he was not guilty of wife murder.

Jacob Click, of Rock Creek township, Huntington county, will be the first inmate of the Methodist Home for the Aged now being erected at Warren. Mr. Click is 50, unmarried and in poor health. He has transferred his real estate to the trustees of the home and they have agreed to supply him a home for the remainder of his life.

Mrs. Josephine Hoback, of Eagles-port, O., wife of the man who suicided at the Pennsylvania railway station at Columbia City Sunday afternoon, refused to accept the body and ordered it buried in Columbia City at an expense of not to exceed $60. Hoback's sister, Mrs. Bachtenkirchner, of Francesville, Ind., took charge of the body of the suicide and had it removed to her home. She contends that Hoback was a victim of nervous disorders.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. Dreier Bros.

PATTERSON-FLETCHER CO.

APPORTIONMENT IS MADE OF SCHOOL REVENUES

General Tuition Fund is Distributed by the County Auditor.

General tuition fund provided for the operation of the public schools of Allen county for the coming half year—a total of $71,762.33—has just been apportioned among the various school corporations of the county by Auditor Lindemuth upon a per capita basis, and the sums which will go to each are as follows:

Wayne	$ 2,138.51
Washington	1,551.26
Springfield	1,274.24
St. Joseph	1,418.29
Perry	1,000.00
Madison	1,072.02
Monroe	1,024.94
Marion	1,271.47
Maumee	803.33
Milan	1,235.47
Lake	941.83
Jefferson	1,432.14
Eel River	1,091.42
Cedar Creek	1,484.78
Adams	1,487.54
Aboit	922.44
Pleasant	1,373.96
Scipio	326.86
Lafayette	1,130.21
Jackson	1,058.18
Town of Monroeville	639.90
Town of New Haven	698.06
Town of Shirley City	277.02
City of Fort Wayne	46,108.46

Of this general tuition fund, $1,719.90 was received from interest on the congressional fund, $13,500 from liquor licenses, $2,657.95 from dog tax fund, and $53,884.48 from the state school fund. The "dry" townships share equally on the per capita from the liquor license receipts with the "wet" townships. The local tuition fund amounts to $57,638.18, so that the total amount available for public school purposes in Allen county is $129,400.51.

DOUBT DISAPPEARS

No One in Fort Wayne Who Has a Bad Back Can Ignore This Double Proof.

Does your back ever ache?
Have you suspected your kidneys?
Backache is kidney ache,
With it comes dizzy spells,
Sleepless nights, tried, dull days,
Distressing urinary disorders.
Cure the kidneys to cure it all.
Doan's Kidney Pills bring quick relief.
Bring thorough, lasting cures.
You have read Fort Wayne proof.
Read now the Fort Wayne sequel.
Renewed testimony; tested by time.

Mrs. Mary Gerder, 901 Archer Ave., Fort Wayne, Ind., says: "I still think as well of Doan's Kidney Pills as when I publicly endorsed them in 1897. The facts which I made known in that statement were as follows: "I suffered for nine years from kidney complaint and finally became so run down that I could hardly do my housework. My back ached constantly and I was so weak and lame that I could not stoop. When I was advised to try Doan's Kidney Pills, I procured a box at Meyer Bros. Co.'s drug store and had taken them only a short time when I found that they were the remedy I needed. In a few days the backache had disappeared and my strength returned. I think that every kidney sufferer should give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

POLITICAL ANNOUNCEMENTS.

FOR MAYOR.

Editor Sentinel:
Kindly announce that I am a candidate for the democratic nomination for mayor, subject to the decision of the voters at the primary.
HENRY P. SCHERER.

Editor Sentinel:
Kindly announce that I am a candidate for the nomination for mayor at the impending nominating primaries of the democratic party. I have always championed the cause of municipal ownership of public utilities, as well as an honest, progressive, economical administration of city affairs and shall ever continue to do so.
AUGUST M. SCHMIDT.

Editor Sentinel:
Kindly announce that I am a candidate for the nomination for mayor at the impending nominating primaries of the democratic party.
ALBERT E. MELCHING.

Editor of Fort Wayne Sentinel:
Will you please announce my candidacy for the nomination for mayor to the nominating primaries of the democratic party.
If nominated and elected I will use my best endeavor to complete and perfect the municipal lighting plant for the benefit of all our people as now is our water works. I am likewise in favor of track elevation under the present law, the enforcement of all laws, and the city beautiful.
CHARLES M'CULLOCH.

Editor Sentinel:
Kindly announce that I am a candidate for the nomination for mayor at the impending nominating primaries of the republican party.
JESSE GRICE.

Editor Sentinel:
Please say that I am a candidate for mayor, subject to the republican primary, July 23rd, and I am pledged to the following propositions, viz: Force the saloonkeepers to obey and respect the law absolutely. Destroy the blind tigers and wine rooms. Put the gamblers out of business. Place a close restriction on other forms of vice. See to it that we have cleaner and better streets. Perpetuate our water works system. Push track elevation. Make Fort Wayne the best lighted city in Indiana. Extend commercial lighting. Devoted to public playgrounds and a greater and more beautiful Fort Wayne
BENJ. W. SKELTON.

POLICE JUDGE.

Editor Sentinel:—Please announce that I am a candidate for the office of judge of the city court of Fort Wayne, subject to the decision of the democratic primaries when held.
A. LOUIS GRIEBEL.

Editor Sentinel:

THE SHOP AND RAILROAD NEWS

INDUSTRIAL HIVES TO CLOSE FOR PRIMARIES

Big Shops Make Innovation in Rules for Benefit of the Voters.

With the exception of the Wabash shops, all of the big establishments wherein many men are employed will be closed in part or all of tomorrow on account of the nominating elections. The Pennsylvania shop management arrived at that decision just before noon today and ordered bulletins placed upon the boards this afternoon, announcing that the works would not be in operation until noon. The Bass works, the Bowser works and the Western Gas works served notice on the employes several days ago that there would be nothing doing at those works any part of tomorrow and the Fort Wayne Electric works put up notices that the shops would work until noon and then close for the remainder of the week. The Wabash, which keeps its shops in operation until 4 o'clock in the afternoon only, four hours before the closing of the polls, put up bulletins stating that any of the employes could get away at any hour of the day to vote, but the shops would be in operation the usual hours during the day. The Rolling Mills have not been running at all this week and no notice was necessary concerning the election at that establishment. All of the other factories will close a part or during the entire day, and no man will have grounds for saying that he was prevented from voting by his employer.

AVERAGED TWO MILES AN HOUR

R. J. Fisher Gives Interesting Traveling Statistics.

R. J. Fisher, traveling salesman for the Bass Foundry and Machine company, has compiled a few statistics of his travels through the United States, Canada and Mexico during the last twenty-two and half years he has been engaged in that line of work. He has been traveling for the company a great many more years, of course, but did not commence keeping a record of the trips until January 20, 1887, and since that time he has traveled 400,465 miles, an average of 17,796 miles per year, 1,483 per month, 48.7 per day and 2 miles per hour. His trips took him to every railway town of importance in the three countries mentioned. No other traveling salesman can show as good a record as this.

To Enjoy

the full confidence of the Well-Informed of the World and the Commendation of the most eminent physicians it was essential that the component parts of Syrup of Figs and Elixir of Senna should be known to and approved by them; therefore, the California Fig Syrup Co. publishes a full statement with every package. The perfect purity and uniformity of product, which they demand in a laxative remedy of an ethical character, are assured by the Company's original method of manufacture known to the Company only.

The figs of California are used in the production of Syrup of Figs and Elixir of Senna to promote the pleasant taste, but the medicinal principles are obtained from plants known to act most beneficially.

To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co. only, and for sale by all leading druggists.

BIG DEMAND FOR TICKETS.

Electricians Have Already Sold 900 for the Excursion.

Up to noon today Chairman E. K. Allen, of the Electricians excursion committee, had received reports of the sale of 900 tickets for the employes' excursion to Cedar Point Saturday. He also had received information which led him to believe that there would be at least 300 more tickets sold before the departure of the trains, bringing the excursion party up to the 1,200 mark. There will be many with the excursionists who are not in any way connected with the Electric works.

STONECUTTERS ELECT OFFICERS

The Stonecutters' union held its regular meeting last night at which two applicants were initiated and new officers were elected as follows: President, Leon Levy; vice president, Henry Hoffman; financial secretary, William H. Noll; corresponding secretary, Henry Keller; treasurer, Joseph Breilmeyer; tyler, A. Stewart. Labor day celebration came in for a little attention, but owing to the long time until the day of that event definite action was postponed until the next meeting.

JEVNE BOUND OVER.

Harold Jevne, the young man who broke into the Pennsylvania ticket office at Plymouth last Saturday, had a preliminary hearing at Plymouth yesterday and was bound over to the grand jury in the sum of $500. He was unable to give bond and was sent to jail. Jevne is the son of a once famous baseball player. His father was a member of the Chicago White Stockings some years ago. He was killed in a hotel accident.

TWO MINOR ACCIDENTS.

Machinist F. E. Sarver, of the Pennsylvania shops, is off duty having an eye treated. Some emery dust got in the optic Wednesday. J. A. Frenwalt, also of the Pennsylvania machine shops, had a foot bruised Wednesday by a steel rod falling upon it. He will be unable to work for several days.

GONE TO BROTHER'S WEDDING.

J. E. Crowley, a Pennsylvania engineer, has taken a leave of absence and is now enroute to New York state, where he will attend the wedding of his brother, an engineer on the New York Central lines. Engineer Crowley will spend a couple weeks with his father and mother at their home in Victoria, N. Y.

HIS MOTHER VERY SICK.

A telegram last night brought news to J. H. Arnold, a cabbuilder at the Pennsylvania shops, of the serious illness of his mother, who resides at Pittsburg. Mr. Arnold, accompanied by his wife, left for that city this morning.

BACK BADLY SPRAINED.

Machinist C. W. Iden, of the Pennsylvania erecting shop, sustained injuries to his back Wednesday which threaten to disable him several days. He slipped while lifting a heavy piece of metal and severely wrenched his back.

C. H. NEWTON IN TOWN.

C. H. Newton, general claim agent of the freight department of the Wabash, spent the greater portion of today in the city, looking after matters connected with his office. He also found time to call upon a few of his old friends, and former associates.

STEEL TANKS FOR DUPONT.

The Bass boiler shops this morning loaded for shipment to the DuPont Powder company two carloads of steel tanks and appurtenances for use in the manufacture of powder and other explosives.

INDUSTRIAL NOTES.

Ernest Law is a new helper in the Pennsylvania blacksmith shop.

George Youtz, a pipefitter, was sent to Detroit yesterday to do some work for the Wabash.

Engineer D. H. Gable, of the Nickel Plate, is at Lake James for a two weeks' stay.

Master Mechanic G. W. Smith, of the Wabash, is looking after some business at Toledo today.

H. W. Goodrich has been transferred from the arc to the incandescent testing room at the Electric works.

Division Storekeeper C. P. Cherry, of the Pennsylvania, is in Pittsburg on business for the company today.

Mr. and Mrs. A. D. Hodell are at Lima, Ohio, for a few days' visit with friends. He is a Nickel Plate brakeman.

Boilermaker William Weldon, of the Wabash shops, will go to Springfield, Ill., tonight to spend a few days with friends.

Machinist Ed Stewart, of the Pennsylvania shops, will take his vacation next week, when he will go to the lakes.

J. Burns, a blacksmith's helper, resigned a position at the Wabash shops this morning. He will seek employment elsewhere.

After a week's illness, Machinist H. F. Reiter returned to his duties in the Pennsylvania erecting shops this morning.

Engineer Walter Granger will spend the next three or four days at a lake near Argus, Ind., fishing. He went there yesterday.

Boilermaker W. E. Parker is kept from his work in the Pennsylvania shops on account of the serious condition of his mother.

Otto Hitzeman, of the Bass offices, and his wife will go to Rochester this evening to spend a few days with Mrs. Hitzeman's parents.

Next week Engineer and Mrs. M. W. O'Brien will go to Hillsdale and Engineer and Mrs. J. S. Lee will go to Grand Rapids for a week's visit.

W. F. Kienke, a fluemaker, and F. A. Herr, a tinner, have gone to Chicago to spend a week with friends. They are Pennsylvania employes.

The Pennsylvania handled a big excursion party from Ada to Toledo today. The affair was gotten up by the volunteer fire department of Ada.

During the absence from the city of T. A. G. Stonebrook, Andrew D. Carrington will act as foreman of the paint department at the Pennsylvania shops.

Nickel Plate Conductor Maurice Deatrick, who had been spending a ten days' vacation in the east and at Hammond, Ind., reported for work yesterday.

Conductor Jacob Weigel, of the Nickel Plate, is taking a lay off for the purpose of entertaining some relatives who arrived here today from the west.

Charley King resumed his duties in the Bass offices this morning. He had been enjoying a vacation, a portion of which he spent with friends in Indianapolis.

Among the passengers on the Wabash train going east this morning was Oscar Wobroch, of the Transfer restaurant, who is en route to Utica, N. Y.

Fred Lepper, H. Burlage, J. Palmer, Eugene Oddou, John O. Bryant, J. S. Johnson, E. Struchen and H. E. Peters, Pennsylvania shopmen, are sick and off duty.

Brakeman R. J. Bowershae obtained a three weeks' leave of absence from the Nickel Plate and has gone to a lake in northern Michigan to spend the time.

Miss Bertha Waldschmidt, daughter of Jacob Waldschmidt, of the Pennsylvania planing mills, has returned home after a two weeks' visit with friends in Chicago.

Mr. and Mrs. Abraham Seese, of Canton, O., are visiting Mr. and Mrs. J. W. McCoy, of South Wayne. Mr. Seese is foreman of the Wheeling and Lake Erie shops at Canton.

Machinist J. W. McCoy, of the Wabash shops, has been advised of the illness of his son's wife in Toledo and Mr. and Mrs. McCoy will go there tomorrow to see the sick relative.

Tomorrow G. M. Spangler, a tinner at the Wabash shops, will accompany his wife and daughter to Toledo. They are going to Harrisburg, Pa., to spend a few weeks with relatives and friends.

Gordon Fox, of Madison, Wis., is here to take a special student's course in alternating current electrical apparatus. He is now at work in the armature department of the Electric works.

A. B. Conn has returned from Buffalo and C. E. Wine has returned from Barbee lake, near Pierceton. They are Nickel Plate brakemen and each has reported for duty after an absence of ten days.

Charles Frebe, a merchant at Youngstown, Ohio, is visiting Foreman W. B. Muldara, of the Pennsylvania machine shop. Before returning home, Mr. Frebe will make an extended western trip.

General Foreman Henry Eisele, of the Wabash shops, will join his wife and son at Springfield, Ill., Saturday evening and remain over Sunday with them. Mrs. Eisele and her son went to that city this morning.

G. R. Douttiel is again a Nickel Plate brakeman. Last March, when the Anthony hotel opened to business, he took charge of the ice plant, being an expert in that line of work. He resigned that position a few days ago.

Pennsylvania Engineers J. C. McCarthy and Theodore Titus will spend next week at Tippecanoe lake, catching fish. Mr. Titus is on the retired list and Mr. McCarthy has been sick and unable to work for two or three months.

The Bowser Grays announce a ball game at Winona tomorrow with the Fort Wayne Magnolias. For awhile it looked as if there would not be a game on that occasion, the Grays having trouble in getting a match with another team.

Fireman and Mrs. W. P. Miller, of Greenwood avenue, are entertaining a baby boy, who arrived at their home Tuesday. Mr. Miller, who had been celebrating the advent of the little one, reported for work on the Nickel Plate yesterday.

Gang Foreman Harvey A. Stahl, of the Pennsylvania erecting shop, went to Rome City last night to join his family and spend the balance of the month there. During Mr. Stahl's absence, Machinist E. W. Zimmerman will act as gang foreman.

Most of the white potatoes sold in Fort Wayne this summer so far came from Virginia. The crop was exceedingly good and the shipments into this part of the country has been the heaviest in the history of the traffic.

Additional instruction concerning the handling of gasoline has been issued to the freight handlers in the city. The stuff, when it is necessary to have it on the freight platforms, is to be placed as far as possible from other freight—on the ends of the platform when practicable.

George Beck and Henry Ickes, brakemen on the eastern division of the P., F. W. & C. road, were killed on the heavy grade east of Wooster Monday. They were riding in a caboose, back of which was a "helper" engine, when the air brakes tightened up and the caboose was crushed in like a shell. The men resided in Alliance and had been running in and out of Crestline for several years. They were known to many Fort Wayne trainmen.

Frederick N. Hicks, of Indianapolis, traveling passenger agent of the Chicago, Milwaukee and St. Paul road, who was severely injured in a wreck two or three weeks ago, is able to be out on the streets and will soon be making his "rounds" again. Mr. Hicks comes to Fort Wayne occasionally.

Tomorrow Machinist A. A. Holzworth, of the Wabash shops, will leave for Mexico, Mo., for a visit with relatives and friends. Albert and Theodore Sheets, also machinists at the Wabash shops, will go to Marion, Ind., tomorrow to spend Sunday with relatives. Machinist George Rentschler will spend Sunday with friends in Danville, Ill.

The placing of orders for locomotives and cars that will cost $9,000,000 by the Baltimore and Ohio is taken as evidence that that road anticipates an immense traffic during the fall and winter months. Other roads have also placed big orders for equipment, evidently entertaining a similar view of the future prospects.

C. H. Slaybaugh, Wabash train baggageman, has resigned his position. He has lately been running between Fort Wayne and Detroit. Mr. Slaybaugh has been a train baggageman on the Wabash for many years and was formerly in the dining car service. He will engage in business at Detroit, and the vacancy created by his resignation will be filled by Eugene Blaisdell.

The Virginia railway, running from the West Virginia coal fields to the sea, has petitioned the court for an injunction to restrain the prosecutor of the five counties in West Virginia through which it runs from instituting criminal proceedings against the officers or agents of the road for their failure to comply with the two-cent fare law. The plaintiff alleges that its road is now, was built at an enormous cost and that it runs through a largely undeveloped and sparsely settled section. Simultaneously with the filing of the petition, the road raised its fare to three cents per mile.

William T. Jeffries is a candidate for City Clerk, subject to the decision of the republican primary July 23, 1909.

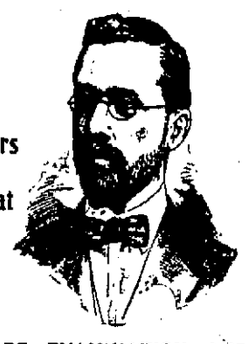
DR. HARDMAN

SPECIALIST

I Cure Pelvic, Nervous and Chronic Diseases



Others Treat — I Cure

FREE EXAMINATION AND REDUCED FEES—For the purpose of proving the advantages of my methods of treating PELVIC, NERVOUS AND CHRONIC DISEASES and the rapidity of the CURES I make I will not only give to everyone who calls at my office before August 1 a careful and thorough examination FREE, but I will treat any case I accept for a cure before August 1 AT A GREATLY REDUCED FEE.

NERVOUS BREAKDOWN and nearly all nervous diseases are the result of CHRONIC or imperfectly treated PELVIC DISEASE. My special methods of treatment not only quickly and permanently relieve the most distressing symptoms, but restore to a NORMAL and HEALTHY condition the broken down and devitalized nervous system.

EXAMINATION—My facilities for examination are unexcelled. I learn the exact condition of the rectum, bladder and every organ of the genito-urinary system. This in itself is of the highest importance, inasmuch as a broken down nervous system and many more of the troubles of the STOMACH, LIVER, KIDNEYS, etc., are reflex, and are the direct result of some pelvic lesion or disease.

BLOOD POISON—I use serums and vegetable drugs in the treatment of blood poison. Mercury and mineral poisons have ruined many a man. My treament eliminates the poison in half the time of the old methods and leaves the blood and tissues free from any taint of disease.

VARICOCELE, RUPTURE, STRICTURE, PILES, FISTULA, Etc., quickly and permanently cured without the knife and without detention from business.

PROSTATIC ENLARGEMENT—Hundreds of men in every community are suffering untold humiliation and torture from pain and non-retention of urine simply because they have not been able to obtain relief from this most distressing condition. You cannot afford to neglect yourself, either as a matter of business or personal comfort. My many testimonials prove the efficacy of my methods. I reduce the enlargement and have been able to cure fully 90 per cent. of all cases.

Since I have been in Fort Wayne FOUR of my competitors have left and I will guarantee to forfeit $100.00 if that many more do not leave inside of three months. They absolutely cannot successfully compete with me. Ability is what counts and the hundreds of cured and satisfied patients in and about Fort Wayne is ample proof of my ability.

SHE MERELY DON'T WANT HER BOYS AROUND

Crawford Youths Warned Not to Bother Mother—City Court.

Two big strapping men between the ages of twenty and twenty-five years named Morris and Eugene Crawford were warned by Judge Skelton not to bother their mother, Mrs. Johanna Crawford, living at 320 Melita street, as she had the two arrested last night on charges of public intoxication. As she said herself this morning she did'nt want the boys punished but she wants them to seek other boarding houses and this the judge ordered them to do. It developed that the sons have been paying money to their mother for board but to off-set this they are too accustomed to raising disturbances about the household.

August Willig, a contractor, who has the reputation of being an earnest and hard-worker but who occasionally has to have his good time, was another in court on charges preferred by his family. His wife alleged that he didn't support her but this morning she wanted to withdraw the charges. The judge is considering the matter until tomorrow.

Willig took his wife to Chicago on the recent excursion and they both said they had a good time. There are ten children and the evidence showed that they have been supported as well as the average in similar circumstances.

Rip Van Winkle Let Go.

Thomas Green, appearing more like Rip Van Winkle after his twenty-year sleep, is supposed to have bade farewell to Fort Wayne. He is seventy-six years of age but in spits of this is a confirmed tramp though his features are kindly and in conversation he makes a very good impression. He came herefrom Toledo to look for work but met the fate of many others and when freed he promised to return to Toledo.

The Other Cases.

A fine of $10 and costs was coming to Jerry Shea this morning as he was picked up as a vag yesterday. He has been in before when he highly amused everybody with describing the pedigree of a fast race horse which he used to ride in his younger days. Now he is an old man but one could still tell he used to be a jockey.

William Gillen, in for drunkenness, left the court room with a $1.00 and costs fine suspended.

The judge also suspended a fine of $1.00 and costs against Rob Robertson, the former South Bend ball pitcher, who was charged with swearing at Henry Hoffman's father.

Hightower Artis, the young negro who is charged with forging his grandmother's name, was made real angry when the judge again continued his case this morning and he applied some untimely epithets to His Honor. The boy's grandmother wants to drop the case, but the state is not so inclined.

Buy a light weight thin coat during our sale.

PATTERSON-FLETCHER CO.

BATTLE ON CROWDED STREET.

Banker and a Realty Man Fight Duel in St. Louis.

St. Louis, Mo., July 22.—A pistol duel on a crowded street was engaged in by Simon Seelig, president of the Savings Trust company, Delmar boulevard and Aubert avenue, and M. L. Dawson, a real estate dealer, who at the point of a revolver demanded and received $365, which he claimed to be the amount of his deposit. The shooting took place in front of the bank yesterday afternoon.

Dawson walked into the bank with a revolver in his hand and pointed the weapon at the banker and demanded his money. It was handed to him and he left.

Dawson was hardly out of the doorway when Seelig seized a pistol and sprang after him. Dawson was starting into an alley when Seelig lifted his weapon and fired twice. Dawson replied with one shot. Dawson surrendered his revolver without a struggle to policemen.

Everything in our great stock will be discounted at least 10 per cent during our sale.

TRI-STATE LOAN & TRUST CO.

MANY HAVE REGISTERED.

Land Rush Still Keeps up; 21,641 After Homesteads.

Spokane, Wash., July 22.—Authorized notaries in Spokane county have reported 21,641 registrations for five days in the Spokane Indian reservation. Only seven notaries' reports for the full five days are on file, and more still have reports to make.

The official registration in Spokane as reported by Judge Witten at Coeur d' Alene at 5 o'clock last evening is 26,210, an average of 5,222 a day.

Registration figures at the local land offices gives the average for the Spokane Indian reservation for the first five days of 4,328. The actual figures will total more than 5,000 a day for the first five days.

Numerous applications from Idaho and Nevada were registered this morning. While the local registrations apparently fell off, reports from the Spokane and Inland railway indicate that the rush for the Coeur d' Alene lands continues at the same rate. Every interurban train for Coeur d' Alene is crowded.

West bound transcontinental trains continue to carry large numbers of passengers. Every train comes in two or three sections.

NOTED ARTIST WEDS.

London, July 22.—John Lavery, a prominent portrait painter, was married here today to Mrs. Hazel Martyn Trudeau, widow of Edward L. Trudeau, jr., of Chicago. The wedding, which was quiet, took place at the Roman Catholic Church of the Oratory, Brompton, at noon.

THE MARKETS

GRAIN AND PROVISIONS.

Chicago Market.

Chicago, Ill., July 22.—Wheat for July delivery sold today at $1.12, which is 6¼c below the high point of the previous session. Other deliveries also were extremely heavy. The unloading yesterday of a part of the big line of wheat held by a leading bull, left the market in an exceedingly weak position and when trading began today selling was general. Prices at the opening were ⅛@¼c to 2⅜@3c below the previous close, July being at $1.12½@1.13¾. September opened at $1.08¼ to $1.08⅜ and dropped to $1.08. Later July dropped to $1.12 and rallied about 1c on covering, while September advanced about ½c.

The wheat market was nervous all day, but sentiment in the pit was bearish the greater part of the time. Leading bulls gave the September delivery moderate support, which caused that option to advance to $1.08⅝. The close was fairly steady, with July off 2@2½c at $1.13½. September was down ⅜c at $1.08½.

The corn market was subject to quick turns during early trading. Prices at the start were ⅛@¼c lower to ⅛@¼c higher, July being at 71⅛c and September at 66⅝c to 66⅝c. After selling off to 70⅝c July rallied to 72⅜c, while September advanced to 67⅜c, touching 66¼@66⅜c.

The corn market was fairly steady the remainder of the day. At the close July went up ⅝c at 71⅜c. September was ½c higher at 66⅞@67c.

Oats were firm, owing to buying by shorts and several leading commission houses. The market opened heavy with July at 45½c and September at 40¼c to 40⅜c. Later July sold up to 46c and September, after touching 40⅛c, advanced to 40¼c.

Provisions were dull and easy. Prices at the start were 2½c lower to 2½c higher.

The Close.

Prices at the close were as follows:

Wheat—July $1.13¼; September $1.08½; December, $1.06⅝@1.06¾; May, $1.09⅜.

Corn—July, 71⅜c; September, 66⅞@67c; December, 56⅜c; May, 57⅛c.

Oats—July, 45½c; September, 40⅜c; December, 40⅞c; May, 43⅛c.

OIL.

Toledo Market.

Toledo, O., July 22.—North Lima, 94c; South Lima and Indiana, 89c.

STOCKS AND BONDS.

The Day on Wall Street.

New York, July 22.—There were some large opening dealings in special stocks today and gains were more numerous, but there was a fair sprinkling of declines. Reading rebounded 1¼. There were sales of nine thousand shares of United States Steel at 70¾ and 70⅞, compared with 70½ last night. New York Central, Amalgamated Copper and American Locomotive rose large fractions. Canadian Pacific fell 1 point.

The rise of a point in Union Pacific was a sustaining influence. New York Central, Amalgamated Copper and Pittsburg Coal gained 1½. Texas & Pacific, American Smelting 1¼ and International Pump 1 point.

A brisk selling movement wiped out most of the first hour's gains and forced United States Steel back to 70. Some rallies from the low point followed, but the demand subsided and the market became quiet. Union Pacific preferred declined 1 point. Bonds were easy.

United States Steel got below 70 during the noon hour, but only small amounts of stocks were sold at that level. Chesapeake & Ohio, Western Union, Wabash preferred and Iowa Central lost 1 point. Baltimore & Ohio and Republic Steel preferred rose 1 point.

Prices hung not far from the low point, but with some slight improvement towards the end of the hour. St. Louis & San Francisco second preferred, General Electric, American Locomotive and North American declined 1 point.

The market closed steady. Prices had a rally in the final hour, which placed them at about the high level of the morning and generally higher than last night. Dealings became very dull at the recovered level.

THE MONEY MARKET.

New York, July 22.—Money on call, easy, at 1⅞@2 per cent; ruling rate, 1⅞ per cent; closing bid, 1⅞ per cent; offered at 2 per cent.

Time loans, firm on long time and fairly active; sixty days, 1¾@2 per cent; ninety days, 2¼@2½ per cent; six months, 3½@3¾ per cent.

Close: Prime mercantile paper, 3¾@4 per cent; sterling exchange, firm, with actual business in bankers' bills at 486@486.10 for sixty day bills, and at 487.45 for demand; commercial bills, 485¼@485¾.

Bar silver, 50⅞c; Mexican dollars, 44c. Government bonds, weak; railroad bonds, easy.

LOCAL MARKET EPITOME.

It was a light day for market receipts in wholesale circles where the demands were also light. Potatoes are weakening to 50c and 60c per bushel, but other prices are continuing the same.

It has been hoped that the produce receipts tomorrow would increase, and it is not certain that this will be the case. Quotations are expected to be about the same.

Grain prices continued the same today.

FORT WAYNE MARKETS.

The pervailing prices on Fort Wayne wholesale markets today were as follows:

DIED IN MEXICO.

Word Heard of Ohio Bank Cashier Who Absconded in 1898.

Lisbon, Ohio, July 22.—News has just reached here from Mexico of the death of M. J. Childs, who suddenly disappeared from here on October 21, 1898.

Childs, prior to that time, was for 25 years cashier of the First National bank. On October 21, 1898, a bank examiner appeared at the institution and it was then that Childs suddenly vanished and $5,000 of the city's money was also missing.

CAUSES STIR IN PEKIN.

President Taft's Letter to Prince Chun Arouses Bankers.

Pekin, July 22.—The personal telegram sent by President Taft to Prince Chun, the Chinese regent, in behalf of the American claim for equal participation in the Hankow-Sze-Chuen railroad loan of $27,500,000 has created a sensation among the foreign bankers and members of the legations here. The legations concerned affirm that the loan question until now was not recognized diplomatically, but the impression prevails that the matter now becomes political. The German financiers threaten to break the concert of bankers.

TWO KILLED IN COLLISION.

Bridgeton, N. J., July 22.—A collision of freight trains at Bridgeton Junction near here early today resulted in the death of two railroad employes and the serious injury of another. Engineer Frank Peacock was caught in the wreck and so badly scalded that he died within an hour. Herbert Hines, the brakeman, was instantly killed. Fireman Frank Green was terribly scalded.

Taking the Whole Country by Storm

The new remedy is a recent discovery, but it is taking the whole country by storm. It has cured so many people throughout the state within the past few months that scores of newspapers are publishing local testimonials, giving names, streets and numbers of many people whose word cannot be doubted. The remedy certainly must have remarkable merit as so many people after using it a short while are advising their sick friends to try it. The Greensburg, Indiana, Daily Review recently published the following: Mr. J. W. Boyle, of 116 East Washington street, said: "My wife has been taking Root Juice and it has done wonders for her. Before taking it she had a very bad stomach. The lightest food would sour on her stomach and cause it to burn and pain her very much. In fact, she said she felt like it was raw from top to bottom. Recently her trouble was aggravated by an attack of la grippe. Her appetite was very poor, but after taking the Root Juice a few days she had a good appetite and could digest everything she ate without the least pain or inconvenience. She is no longer weak and nervous, and seems like a new woman. The remedy has proved a wonderful blessing to her." In fact, so many people are talking about the new remedy and telling about its great soothing, healing and toning qualities to the stomach, bowels, liver and kidneys that it is now hard for the Root Juice people to make it fast enough to fill all orders. It is retailed for one dollar a bottle. Many local people have testified to its wonderful merits, as anyone can learn by going to Bradley Bros., the successors to Wagner drug store, just north of the transfer corner, 627 Calhoun St.

"I would if I was Rockefeller."

CITY BREVITIES.

Clifford Gordon was removed to the St. Joseph's hospital today for an operation for appendicitis.

Postoffice Inspector Hunter is temporarily occupying the inspector's rooms in the federal building.

S. T. Murdock, of Lafayette, the gas magnate, made an automobile trip to this city yesterday, staying here over night.

Capt. W. A. Kelsey is reported to be recovering very rapidly from a sickness that has kept him confined at his home in Lawton Place for the past week.

An insanity commission in Justice Huser's court yesterday found Thomas Bodell insane and application has been made for his admittance into the Easthaven hospital for the insane at Richmond.

Vandals gained entrance into the colored Baptist church, at the corner of Calhoun and Holman streets sometime prior to Tuesday evening and broke a new organ into hundreds of pieces, tore the hymn books and otherwise damaged the church property.

A fire that mysteriously originated upstairs completely destroyed the residence at 202 Chicago street about 8:30 o'clock last night. The house has been occupied by Mrs. Louise Mansfield and the property is owned by the Pennsylvania company. The occupants were away from the home at the time. The loss is $1,000.

Charles A. Walker, a globe trotter, who is walking 56,000 miles in seven years on a wager of $12,000, was a visitor in Fort Wayne over last night, having arrived from Columbia City Wednesday afternoon. He has already been walking for four years. Today he set out for New York along the Pennsylvania right-of-way accompannied by Henry W. Rubser, of this city.

The installation of the new officers of the lodge, No. 1, Daughters of Workmen, took place Tuesday evening at the K. of P. home. The following are those occupying official places: Mrs. Bendure, past grand lady workman; Mrs. Brown, grand lady workman; Mrs. Klein, vice lady workman; Mrs. Blyston, chaplain; Mrs. Foster, recording secretary; Mrs. Buck, financial secretary; Mrs. Hausbach, treasurer; Mrs. Conley, guide; Miss Biemer, inside sentinel; Mr. Troxell, outside sentinel; Mrs. Brinsley, drill mistress; Miss Roeger, pianist; Mrs. Safforn, Mrs. Willkeny and Mr. Buck, trustees; Mrs. Bendure, Mrs. Brinsley and Mr. Troxell, auditing committee.

THE TURNERS' OFFICERS.

The result of the annual election of officers of the Turnverein Vorwaerts held Wednesday evening at the Turner hall is as follows: Adolph Roggen, president; Horman Haeckel, vice president; Max Stern, secretary; Otto Frey, corresponding secretary; Richard Daenell, financial secretary; Joseph Bogenschuetz, treasurer; Charles Pott, William Munch and Carl Kaiser, trustees.

CURES FOR ECZEMA.

Gives Relief in a Night and Makes Complete Cure in Short Time.

The remarkable demand for Hokara, the skin food, at Meyer Bros Co., is not surprising when it is remembered that even in the worst cases of eczema, it stops the itching with the first night's application, begins to heal up the diseased skin almost immediately, and cures chronic cases in a few weeks. In lesser troubles, such as pimples, blackheads, barber's itch, acne, rash, piles, etc., a few days' use will usually cure.

In order that no one may be kept from using Hokara by the cost, a liberal sized jar is sold for 25c at Meyer Bros. Co. Furthermore, if Hokara does not do all that is claimed for it, even this small sum will be returned.

Buy your suit during our sale.

WM. FREUCHTENICHT

Candidate for Police Judge in Democratic Primary.

Hon. William Freuchtenicht, candidate for police judge before the democratic primary, is a well known lawyer and a widely acquainted and much esteemed citizen. He has represented Allen county in the legislature with distinction to himself and usefulness to the people. He introduced the track elevation bill in the house and worked with splendid effect to get it passed and in all matters for the benefit of labor showed himself the steadfast friend of workingmen. He is eminently qualified both by legal attainments and character for the office of city judge. It

A Candidate for the Council, Subject to the Democratic Primaries.

Mr. William J. Fuhrman, the well-known contractor and builder, has announced himself as a candidate and is making an active canvass for the nomination for councilman from the Sixth ward. Mr. Fuhrman is a representative citizen of the ward and has been a resident of the same for twenty years, always being an active participant in the affairs of the democratic party. He has been very successful in the management of his business and would give the same painstaking attention to the affairs of the city. He is one of the heavy taxpayers of his ward and would therefore be vitally interested in anything affecting the ward or city. In the fifteen years that he has been following the business of contracting he has erected many of Fort Wayne's largest buildings, one of the more recent being the magnificent Elks building on West Berry street. He was also the builder of the city's lighting plant and is most emphatically in favor of the city owning its own light plant both for street and residence lighting. The voters of the Sixth ward will make a wise choice in selecting Mr. Fuhrman to represent them in the council 21-2t

Our Indiana

An excellent refrigerator, radically different in principle from other refrigerators, the cold air being taken to the bottom of provision chamber through a removable flue connecting with the ice box. An unqualified success, both as a seller and in practical use. They are constructed on correct scientific lines, a positive circulation of dry air, no odor, and no dampness; ornamental, lever wedge locks. Built in a large variety of popular styles at low prices. Remember, we have been selling these refrigerators for several seasons and know them to be satisfactory.

If it's a good thing Seavey's have it
